21st CCLC APR Reporting Guide

NEW!

21st CCLC APR Reporting Guide

- APR information- what will be reported in system, how
- Information accessible in one place
 - So don't have to compile all together from GPRA Updates
- Districts need to be able to point to something for changes and to make plans/decisions now
- Enough information now that APR is taking shape

NEW!

21st CCLC APR Reporting Guide (cont.)

The Reporting Guide is:

- An accumulation of all definitions/guidance *to date*
- An ongoing document- latest version of information but subject to change in next version
 - As more information becomes available, we will update
- A useful tool to drive decisions now so don't have to re-watch all GPRA Updates

NEW!

Reporting Guide- what it's not

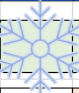

The Reporting Guide is *not*:

- The final guidance for the 2021-2022 Annual Performance Report
 - Subject to revisions with new information
- A replacement for APR Updates
 - Will not include conversation or collaboration, strictly all information so far collected in one place
