ADE CTE Approved PD for Teacher Certification Credit

ADE CTE Approved Professional Development Certification Credit can be applied to a CTE Certificate or to [remove deficiencies](#) from a CTE teaching certificate.

Professional Development Hours

Semester credit hours can be transferable as CTE PD certification credit. (1 hour of college credit = 15 hours of PD certification credit)

Certificate

Template provided by CTE:

Certification Information

To find more information on certification, visit the ADE Educator Certification website:

<https://www.azed.gov/educator-certification/forms-and-information/certificates>

CTE PD Hours for Teacher Recertification

Professional Development can be provided for CTE teachers by industry associations, postsecondary institutions, CTEDS, districts. PD is conducted in a learning environment and may include homework.

Professional Development Hours

Certificates may be renewed with 15 clock hours of PD for each year of the certificate term. PD hours are nontransferable as semester credit required for initial certification.
