Office of English Language Acquisition Services

February 14, 2022

Dear Superintendent / Title III Coordinator / EL Coordinator / EL Main Contact:

**Subject: FY 2022 Emergency Immigrant Education Program Grant**

The Arizona Department of Education's Office of English Language Acquisition Services (OELAS) is prepared to distribute the FY 2022 Emergency Immigrant Education Program Grant funds. The purpose of this letter is to formally notify you that your Local Educational Agency (LEA) has been awarded an FY 2022 Emergency Immigrant Education Program Grant.

Eligibility was determined by reviewing which LEAs reported immigrant students in Fiscal Years 2020, 2021, and 2022. Counts were verified via the Arizona Education Data Standards (AzEDS) system.

Under the Elementary and Secondary Education Act (ESEA), as amended by the Every Student Succeeds Act (ESSA), a State must reserve at least enough funds to make one subgrant to an eligible LEA to serve immigrant students that is of sufficient size and scope to carry out a program effective in meeting the purposes of Title III. [ESEA Section 3114(d)].

Each State must award these funds to one or more LEAs that have experienced a significant increase in the percentage or number of immigrant children and youth enrolled in the current fiscal year, as compared to the two preceding fiscal years. [ESEA Section 3114(d)(1)].

While a State may choose whether to use an increase in the percentage or number of immigrant children and youth in awarding funds to LEAs, States are encouraged to consider both increases in the percentage and in the number of immigrant children and youth in order to ensure an equitable allocation of funds across LEAs of various sizes. A State may define the "significant increase" criteria used to determine eligibility of LEAs for this subgrant.

To further ensure immigrant subgrant awards are used for meaningful activities to improve outcomes for immigrant children and youth, States are also encouraged to provide awards of an adequate size (i.e., making fewer, larger awards) for LEAs to implement a high-quality program.

When developing immigrant programs, it is important to remember that the Emergency Immigrant Education Program funds are a subgrant of Title III funds, and therefore, follow the same supplement not supplant requirement, as well as the 2% limit on administrative expenses.

- (A) are aged 3 through 21;
- (B) were not born in any State; and
- (C) have not been attending one or more schools in any one or more States for more than three full academic years.

Note: For the definition above, "State" means the 50 States, the District of Columbia, and the Commonwealth of Puerto Rico.
