# Arizona Charter Schools

## Financial and Statistical Data - Definitions

### Charter Holder and State Summaries

The following definitions and explanatory comments are intended to assist in understanding the data shown for each charter school.

## Financial Information

### I. Finances by Project:

Project Revenues, Budgeted Expenditures and Actual Expenditures

#### A. General Projects – Project 1000:

This includes all regular education and special education expenditures from state equalization revenues to include salaries, benefits, purchased services, textbooks, library books, K3 reading program, transportation and supplies. Also includes expenditures for all support services, operation of non-instructional services, facilities acquisition, construction, and debt service.

#### B. Federal Projects:

This includes all federally funded categorical grant programs.

#### C. State Projects:

This includes all state funded categorical grant programs.

#### D. Classroom Site Project (CSP) – Project 1010

Fund designated for recording revenues and expenditures resulting from the passage of Proposition 301 in November, 2000 (6/10th % sales tax revenues). These funds may be expended on three purposes outlined in A.R.S. §15-977: teacher base pay increases, teacher performance pay, and specified maintenance and operations purposes: class size reduction, teacher compensation increases, teacher development, and dropout prevention programs.

#### E. Instructional Improvement Project (IIP)- Project 1020

Fund expenditures of revenues generated by Tribal Gaming compacts with the State of Arizona as a result of Proposition 201, passed by Arizona voters on November 5, 2002. Expenditures are limited to those specified in A.R.S. §15-979: teacher compensation increases, class size reduction, dropout prevention programs, and reading programs for students in kindergarten through third grade.

#### F. Schoolwide Project:

The total of all projects.

**II. Revenues Received by Source:**

**A. Local Revenues:**

Local revenues include interest payments, tuition receipts, transportation fees, food service fees, activity fees, and donations.

**B. Intermediate Revenues:**

Pursuant to A.R.S. §15-185, the county school superintendent may provide educational services to a charter school located in that county. The value of these services or any actual county revenues shall be recorded as Intermediate Revenues under this category. These revenues may be restricted, unrestricted or “in-kind” services.

**C. State Revenues:**

State revenues include State Equalization Assistance, Arizona State Grants, Classroom Site Project, and Instructional Improvement Project.

**D. Federal Revenues**

Federal Revenues include all Federal Grants, and Impact Aid.

**III. Special Education Program Expenditures:**

This section reports detail of General Projects total Program 200 expenditures for special education by disability category and other special programs such as gifted, vocational education, remedial education, career education, and English Languages Learners (includes both incremental and compensatory instruction) expenditures. These dollar amounts are included in the General Projects totals in the Finances by Project and Revenues Received by Source sections above.

**IV. Gifted Programs:**

Counts are reported by grade. These counts are duplicated because one student may be identified in one, two or three gifted areas; quantitative reasoning, verbal reasoning, and/or nonverbal reasoning.

**V. Miscellaneous Data as of 6/30/16:**

Reported values as of June 30, 2016 for Land and Improvements, Building and Improvements, and Equipment and Construction in Progress.

**Statistical Information**

- I. **Average Daily Membership:**  
The average daily membership for the first 100 days in session of the students attending the charter school.
  
- II. **Fall Enrollment:**  
Number of students enrolled on October 1, 2015. This is an unduplicated count of students. Each student is included in only one district or charter.
  
- III. **Number of Schools:**  
The total number of schools active in FY 2016
  
- IV. **Year-End Teacher Full-Time Equivalent (FTE) Teachers:**  
The number of FTE teaching positions as of the last day of school reported on the charter's Annual Financial Report. This FTE includes "purchased service teachers" as well as non-certified teachers, but EXCLUDES substitute teachers.
  
- V. **Year-End Total Teacher Salaries:**  
Total amount of salaries – excluding benefits - paid to teachers for all of FY 2016 as reported by the charter on the charter's Annual Financial Report. This dollar amount includes the dollar amounts associated with "purchased service teachers" and non-certified teachers but EXCLUDES amounts paid to substitute teachers.

**Additional Notes:**

- i. Charter Holder Identification Code (CTDS): located to the right of each charter name at the top of each page.
  
- ii. Charter schools are identified with a 9-digit Arizona Department of Education code CTDS (County – Type – Charter Number – School Number). The first two digits of this code represent the County. The next two digits represent the type of sponsorship for the charter, (86 for the State Board of Education and 85, 87 or 89 for the Arizona State Board for Charter Schools). The next two digits represent the Charter Number within the county. The last three digits represent the charter School Number within the charter holder (000 represents a charter holder's administrative office). District sponsored charter schools are identified with the sponsoring district's CTD, with a School Number of 700 or greater. District sponsored charter schools are not included here as their revenues and expenditures are recorded by the school district that sponsors them (see Section II, page 4 of Volume II).

NOTE: The charter schools listed above operated and were paid in FY 2016 but were closed as of fiscal year end June 30, 2016. The charters' did not submit a Charter Annual Financial Report (AFR) and are not included in the following summary pages -- if the charter schools reported Average Daily Membership (ADM) were included without the matching expenditures, the statewide per student expenditure calculations would not be correct.

# Charter Schools Summary of Financial and Statistical Data

The following information can be found within each charter school and the state summary page. For more detailed definitions and explanatory comments, please refer to the Arizona Charter Schools Financial and Statistical Data – Definitions found in a preceding section of this volume, starting on page II-1.

## Financial Information

Finances by Project – includes project revenues and budgeted and actual expenditures.

Revenues Received by Source – revenues received from local, intermediate, state and federal sources.

Special Education Expenditures – budgeted and actual expenditures for special education by disability category and other special programs such as gifted, the incremental and compensatory instructional costs for English Language Learners (ELL), vocational education, and career education.

Gifted Program Duplicated Counts – the program counts may be duplicated as one student may be identified in more than one gifted reasoning area.

Gifted Program Actual Expenditures – the program expenditures are designated by grades K-8 and 9-12.

## Statistical Information

Miscellaneous Data – reported values for land and building, site improvements, equipment, and construction in progress.

Average Daily Membership – the charter’s total attending average daily membership for the first 100 days in session as designated by the grade sections of elementary and high school.

Fall Enrollment – an unduplicated count of students enrolled on October 1, 2015.

Number of Schools – the number of charter sites active for the fiscal year.

Staffing Summary – the reported year-end Full-Time Equivalent (FTE) teacher positions as of the last day of school, and the reported year-end teacher salaries.
