

education category also had an adjustment, auditors made an adjustment to the special education weight as well.

- **Limiting** – Auditors reviewed the total ADM for each enrolled student to ensure that they were appropriately limited by ADE’s system. No findings were identified for this area.

The Audit Unit expresses its appreciation to the District’s administration and staff members for their cooperation and assistance during the course of the audit.

DRAFT

FINDING 1: THE DISTRICT DID NOT ACCURATELY REPORT SOME STUDENT DATA, RESULTING IN AN OVERPAYMENT OF \$140,317.10

Auditors determined that the District inaccurately reported the student data for 125 students for FY2019, FY2020 and FY2021. Specifically, auditors found that 95 students had an incorrectly reported FTE, 27 students were reported with 10 or more unexcused absences and should have been withdrawn, two students generated a non-fundable period due to excessive absences as defined by School Finance Manual Section G, and one student was reported with incorrect enrollment dates. As a result of these errors, the District's ADM was overreported by 35.09. As a result, the District was overfunded by \$140,317.10 in Basic State Aid. According to A.R.S. § 15-915, ADE needs to recover these monies from the District.

The District inaccurately reported some student data

The District inaccurately reported 125 students' enrollment data to ADE, which resulted in the District's ADM being overstated by 35.09.

According to A.R.S. § 15-901, for a high school student to be reported as a 1.0 FTE, the student must be enrolled in at least four subjects which meet at least 123 hours annually each and total at least 720 instructional hours for the year. A student who does not meet these requirements is considered a part-time student and their FTE status must be reduced based on the number of actual instructional hours provided and courses enrolled.¹ In addition, A.R.S. § 15-901 states that a student with 10 consecutive unexcused absences must be withdrawn and beginning in FY2019, School Finance Manual (G) states that students who have reached the 10% threshold for cumulative absences (excused or unexcused) based on the number of instructional calendar days at their school and incur 10 or more consecutive absences will generate non-fundable ADM intervals. Lastly, according to ADE External Guideline and Procedures GE-17 and A.R.S. § 15-901, with the exception of pre-enrolled students, the enrollment dates for a student are the first day of actual attendance and the last day of actual attendance or excused absence. However, the District did not always adhere to these requirements. Specifically, for the students that were sampled (see page 6):

¹ Pursuant to A.R.S. § 15-901, a full time student (1.0 FTE) in grades 9 through 12 must be scheduled for and attending at least 720 hours of instruction and at least four subjects each of which meets for at least 123 hours annually; a 0.75 FTE student must be scheduled for at least 540 hours of instruction and at least three subjects each of which meets for at least 123 hours annually, a 0.50 FTE student must be scheduled for at least 360 hours of instruction and at least two subjects each of which meets for at least 123 hours annually and a 0.25 FTE student must be scheduled for at least 180 hours of instruction and at least one subject which meets for at least 123 hours annually.
