## New CTE Teacher Semester Hour Certification Credit

*New teacher certificates require completion of college semester hours and/or college rigor professional development hours within three years.*

### Professional Development Hours

Semester hours are required to [remove deficiencies](#). Fifteen professional development clock hours equates to one semester hour (SH) of college coursework.

### ADE CTE PD Certificate of Completion

## Professional Development Hours Certification Renewals

*Teacher certification renewals require PD which can be provided by industry associations, postsecondary institutions, districts, and CTEDs.*

### Professional Development Hours

Professional development requirements for renewable certificates are fifteen clock hours of PD for each year of the certificate term.
