RE: Empowerment Scholarship Account Program Quarter 3 Report

Dear President Corr,

The Department of Education (Department) is pleased to submit to the State Board of Education (Board) the Empowerment Scholarship Account (ESA) Program Fiscal Year 2022 Quarter 3 Report pursuant to Title 7, Chapter 2 Article 15 of the Arizona Administrative Code. Quarter 3 covers the period between January 1, 2022 and March 31, 2022. The Department also included data from the previous quarter when appropriate for comparison.

In addition to the information required by the Board for inclusion within this report, we would also like to highlight some recent improvements made in Quarter 3. Specifically, we were able to make several IT systems changes that automated both the attestation process for parents of 12<sup>th</sup> graders and the account closure process. These changes eliminated the need for account holders to print, sign, scan and return a form.

Sincerely,

Teri O'Brien  
Executive Director  
Empowerment Scholarship Account Program

## e. Parent Engagement & Feedback

This section includes a summary of the parent feedback that has been collected by the ESA program. It also includes a list of current and upcoming action steps to address the feedback shared by ESA families and increase parent engagement.

### e.1 Parent Feedback

The ESA program solicits parent feedback through the following processes:

- ESA Parent Advisory Council
- Written comments
- Electronic surveys
- Town Hall meetings

#### Parent Advisory Council

The Department held a Parent Advisory Council (PAC) meeting on February 8, 2022. The meeting agenda included an update on the preliminary discussions related to risk-based auditing, as well as the recent parent survey results and progress on the handbook draft.

#### Electronic Surveys

The Department continues to provide a survey link to all service tickets resolved through the Department's HelpDesk for families to provide feedback on the timeliness, completeness, quality, and helpfulness of the response regarding their request. Families are also given an opportunity on the survey link to provide general feedback. Survey data shows that over 70% of families are satisfied with the ESA program. During Quarter 3, the Department received 140 responses to the HelpDesk-linked survey, 145 responses to the Website-linked survey and 170 responses to the 2022-2023 ESA Draft Handbook Survey.

## Town Hall Meetings

The Department held one “ESA 101” town hall meeting during Quarter 3. ESA staff provided a brief presentation on the program, including an overview on how to make purchases and payments through the ClassWallet platform. Based on feedback from parents, the majority of each ESA town hall is reserved for parent Q and A. The next town hall is scheduled for April 26<sup>th</sup>.

- January 11, 2022, from 7-8pm (24 attendees)
- February 17, 2022, from 7-8pm (27 attendees)

Wanting to get additional feedback on how the Department could better serve families, a survey is now being sent to town hall participants to get feedback on what information was most helpful and what they would like to see addressed at future town halls.

## e. 2 ADE Response to Feedback

### Communications and Training

The Department is focused not only on programmatic improvements but also on developing resources to help families navigate the ESA program.

Working with IT, one tool was created in Quarter 3 to help support parents:

- Parents or guardians of ESA students who are in 12<sup>th</sup> grade and eligible as a student with special needs are now able to quickly indicate inside the ADE portal whether their student will be graduating from high school or obtaining a GED at the end of the year. This new process eliminates a printed form that created confusion and generated incorrect renewal contracts. Parents received information on this new process in early April, as well as step-by-step instructions.

### ESA Weekly Newsletter

All families receive a weekly newsletter, called the ESA Weekly Bulletin. This email includes upcoming town hall information, any program updates, and helpful tips.

### Handbook Updates

The Department posted the 2022-2023 ESA Parent Handbook draft on the website and sent the draft to all families on March 7, 2022, along with a short survey (data included above) and an invitation to two public comment sessions.

- March 10, 2022 from 11:30am-1pm (33 attendees)

- March 16, 2022 from 10:30am-12pm (48 attendees)

Based on the public comment sessions, a total of 120 recommendations were made. Of these recommendations, 66 were incorporated into the handbook, 25 requests were already included, 19 were not able to be addressed due to statutory, rule or ClassWallet contract limitations and 8 comments were unactionable items or not related to the handbook.

In addition, the Department reviewed 170 detailed survey responses, of which 76 recommendations were incorporated into the handbook, 15 were already included, 99 items were not able to be incorporated due to existing statute or rule restrictions (the majority were duplicative), and 12 parents shared only positive comments with no requests for changes.

## **f. Private Financial Management Firm**

This section includes information on the private financial management firm, ClassWallet, assisting in the management of the program and includes:

- The number of accounts utilizing the firm
- The number of providers and vendors on the firm’s platform

### **f.2 Providers and Vendors**

As of March 31, 2022, there were 2,477 vendors/ providers in ClassWallet and an additional 260 private schools registered for Direct Pay. This quarter we are tracking how many vendors are active by recording how many have an active bank account linked. This give ESA a better understanding of how many active vendors are operating.

### **f.3 Communications & Trainings**

The private financial management firm, ClassWallet, facilitates training for parents who use the platform to spend ESA monies. Training videos are available on the ESA website at <https://www.azed.gov/esa/classwallet>. In addition, the Department has posted a short informational video on the ESA website that is specific to the Arizona ESA program at <https://www.azed.gov/esa>.

### **f.4 Parent Concerns and Responses**

The Department received an email from a parent who expressed concerns that there was no area specifically designated as a space to upload credentials or curriculum inside the ClassWallet portal when submitting debit card transaction receipts. This issue has been escalated to ClassWallet and we are working with them to clarify/modify the language on the upload screen, to ensure that parents are aware that they can upload multiple documents during a submission.

### **f.5 Other Requests**

There were no additional requests identified by the Board for this report.

---

<sup>2</sup> ClassWallet data does not match ESA IT data due to account suspensions, lag in closure time, and 3-year renewals

## **g. Appeals**
