Science/STEM Highlight: PD Opportunity! Empower K-5 Students through Literacy in Science & STEM

Empower K-5 Students through Literacy in Science & STEM

For K-5 Educators
June 27 & 28
8:00am-3:30pm
In person @ SRP in Tempe
$25

Promote critical thinking and problem solving skills that are essential for STEM teaching and learning. Come learn more about empowering your students through STEM, literature, and discourse using a hands-on 5E model with Picture Perfect Lessons for K-5 students.
