Proof of Concept

Office of Digital
Teaching & Learning

PROOF OF CONCEPT

The Office of Digital Teaching and Learning at the Arizona Department of Education will grant 20 affiliate memberships to 1EdTech Consortium.

- Access to a **global community** where to learn about **new innovations** in the learning industry, and the state of standards and specifications
- Access to the **TrustED Apps dashboard** that follows an industry-standard rubric for vetting and certifying applications
- Access to **Compatibility Check** to validate apps interoperability
- **Training** in the maximization of data standards to protect student data privacy
- **Community support** in the definition of processes for the approval of online resources at their district

ELIGIBILITY

- Must have an LMS certified with **LTI v.1.3 (Canvas, Schoology, Moodle, D2L)**
- Must allocate a small percentage of at minimum two resources: **a technology resource and an instructional resource.**
- Ideally have initiated a process for the **collection** of online educational resources.
- Preference will be given to the first qualifying LEAs that, collectively, meet the criteria for diversity in group representation.
