Troubleshooting:

- If you are unsure where to report this element in your SIS, please contact your SIS Vendor for assistance. Element is identified in the AzEDS API as: StudentEducationOrganizationResponsibilityAssociation
- Validate Resident School ID is reported using the SPED10 report.
 - Each LRE reported requires a Resident School ID.
 - **Private Day School** - the public school site where the student would be enrolled and attending if not placed in the private day school.
 - **Voucher (RTC)** - the public school site where the student would be enrolled and attending if not placed in the residential treatment center or a state institution.
 - **Public Education Agency Placement (PEA)** - the public school site where the student would be enrolled and attending if not placed in another PEA.
 - Notify Data Management essdatamgmt@azed.gov if you are tuitioning out a student to another PEA to establish a reporting relationship.
 - **Head Start Programs** - the public school site where the student would be enrolled and attending if not placed in the Head Start program.
 - **Public School** - defaults to the public school site where the student is currently enrolled & attending.
- Ensure the site reported as the Resident School ID is a site of the District of Residence.
 - ***Except for:**

- Students residing in an Elementary District without a high school and attending a High School or Union District, the resident school ID should be a site of the District of Attendance (DOA)*.
- Students residing in a Transportation District, the resident school ID should be a site of the District of Attendance (DOA)*.
- Students placed in an RTC with 9-12 grade and Home School District is identified as K-8, the resident school ID should an elementary site of the Home School District
- Once corrected, allow integrity to run overnight to see if student is passing on the INTEG15 report.

** If the attendance site is a non-public organization, the rule will look to the reporting entity.*
