Transportation YOU launched in 2010 and is the joint initiative of WTS international and the U.S. Department of Transportation. This is a hands-on program that offers young girls ages 13-18 (Non-Trad) an introduction to transportation careers. Local chapters coordinate Transportation YOU initiatives. In Phoenix, we are collaborating with partners in the transportation industry and in education to offer programs and activities that connect classroom learning to real world careers.

<https://www.wtsinternational.org/chapters/metro-phoenix>

- Empower young women with opportunities in the transportation industry
- Provide internships and career development opportunities
- Help young women build leadership skills and self confidence
- Make STEM education more accessible through scholarships
- Contribute to the diversity and creativity of our transportation workforce

WTS has just opened up a **high school scholarship for high school girls who are currently seniors in high school**. Link to the application, which provides the additional details:
