

# 2022 COP Fall Forum – Website Support

## Navigation Bar

To access the list of presentations for each Session, click on the appropriate session at the correct time.

Hover over “**more...**” to access additional tabs. (Featured Speaker, About COP, Presenters, ESE Staff, & Upcoming Events)

## General Session & Breakouts

Session resources are available here.

To access each session, click on the “**Click Here To Join Session**” button underneath the session description that you would like to join. You will be given options on how to join the meeting. Please choose which you prefer.

### Title1Admin.com Training

*Presenter: Ryan Benetz*

Join us to learn more about Title1Admin.com! This valuable resource can save you time and effort administering an effective and compliant Title1 program. Our expert journalists, attorneys and editors go the extra mile to create unique professional development tools, provide practical guidance and show you how to apply it in the real world. During our session we will showcase different databases, resources that can be found on Title1Admin.com and how to construct fast searches.
