#### What is the SPP/APR?

The State Performance Plan (SPP)/Annual Performance Report (APR) is a required annual federal special education data collection overseen by the Office of Special Education Programs. They are outlined under a variety of sections in the Individuals with Disabilities Education Act (IDEA). ESS reports on portions of this information to stakeholders throughout the year.

#### Federal Fiscal Year

Federal reporting uses federal fiscal year when submitting and reporting on information. This classification is forward facing, compared using to the standard fiscal year.

The most recent data shown in this presentation will be from the 2020-2021 school year. That school year is also known as state fiscal year 2021 or federal fiscal year(FFY) 2020

#### Indicators 1 and 2 Introduction

- Indicator 1: Percent of youth with Individualized Education
   Programs (IEPs) exiting special education due to graduating with a regular high school diploma. (20 U.S.C. 1416 (a)(3)(A))
- Indicator 2: Percent of youth with Individualized Education
   Programs (IEPs) exiting special education due to dropping out. (20 U.S.C. 1416 (a)(3)(A))
- Data Source: Same data as used for reporting to the Department of Education under section 618 of the Individuals with Disabilities Education Act (IDEA).

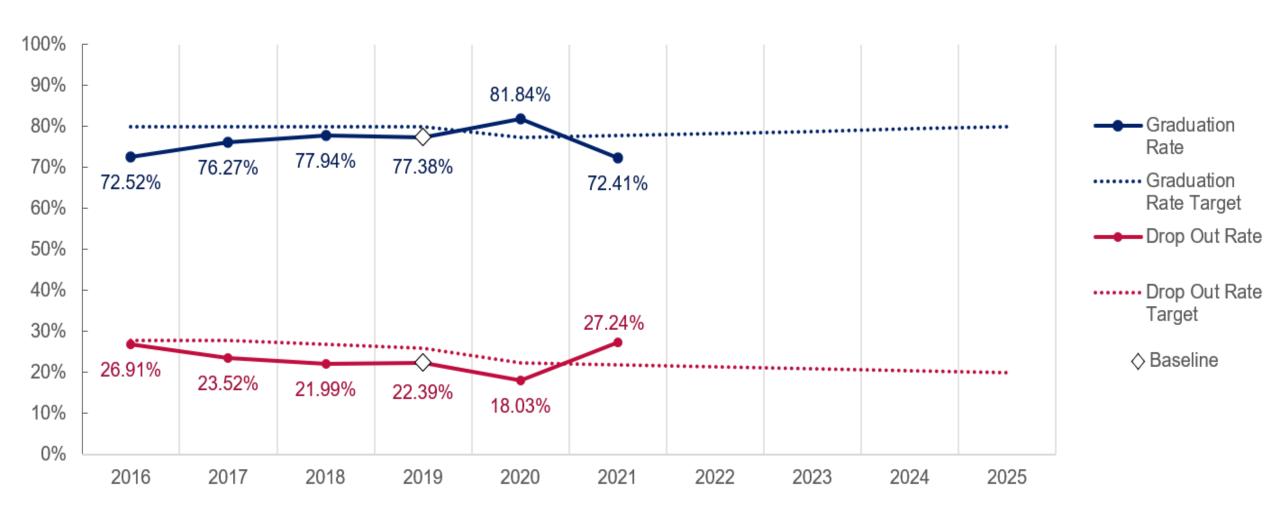

#### Indicators 1 and 2 Measurement

- Indicator 1: States must report a percentage using the number of youth with IEPs (ages 14–21) who exited special education due to graduating with a regular high school diploma in the numerator and the number of all youth with IEPs who exited special education (ages 14–21) in the denominator.
- Indicator 2: States must report a percentage using the number of youth with IEPs (ages 14–21) who exited special education due to dropping out in the numerator and the number of all youth with IEPs who exited special education (ages 14–21) in the denominator.
