

Assessments AZELLA

AZELLA Recommended Grades 2-12 Unit 5 (Speaking) Seating Arrangements

Recommended Seating Arrangements for a Classroom Setting

In an average size classroom (approximately 20 ft. x 26 ft.) a maximum of **6 students** may simultaneously be administered the Speaking Test for optimal recording conditions.

Scenario 1: Average classroom (20 ft. X 26 ft.)

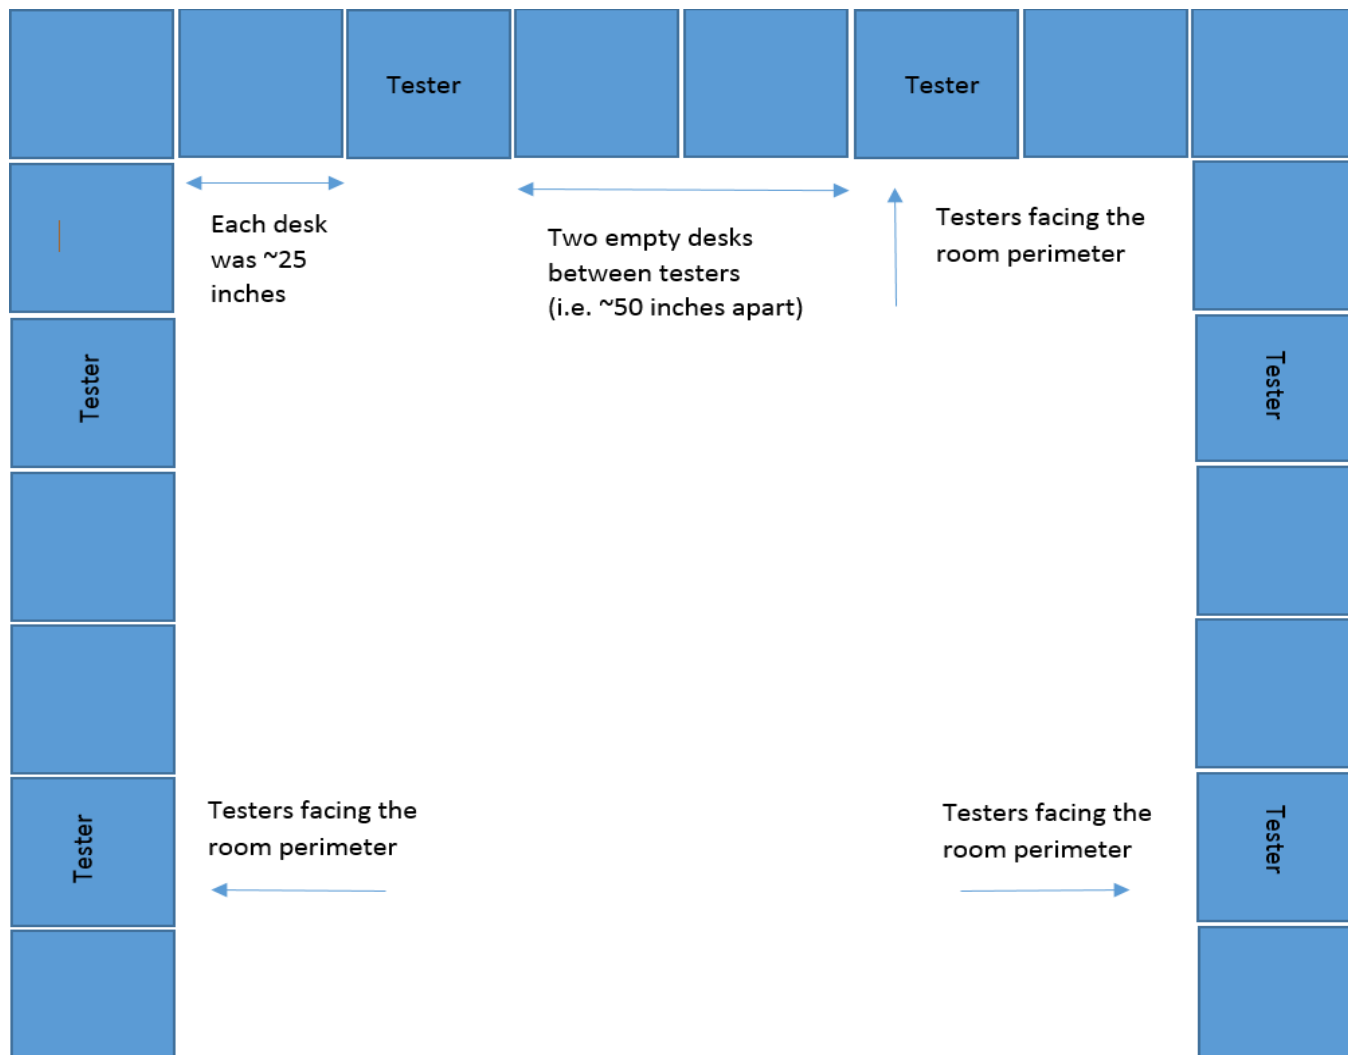

Second row of testers were staggered from first row (i.e. tester should not be in the same row)

Recommended Seating Arrangements for a Lab Setting

In a Lab setting a maximum of **6 students** may simultaneously be administered the Speaking Test for optimal recording conditions.

Scenario 2: Lab setting

AZELLA Grades 2-12 Unit 5 (Speaking) Headset with Microphone Requirements

Any headphones or earbuds can be used for the **Grades 2-12** Units 1, 2, 3, and 4 tests; however, a **unidirectional with a noise-cancelling microphone must be used for Unit 5, the Speaking test**. The [Logitech H390 USB Computer Headset](#) is the recommended headset for Unit 5 (Speaking). You may refer to this [Headphone and Microphone Requirements](#) document for more information. For non-USB headphones with microphones, the *Handheld Device* section includes information for 3.5mm single-jack requirements.
