The information reflected on this report is based on the accuracy of the data submitted to AzEDS by an LEA/School for the current and/or prior Fiscal Year(s). Integrity errors, incorrect testing of EL students, and other factors - like delayed reporting by other schools - will impact this report's ability to capture an EL Need. Schools are responsible for verifying and supporting the needs of their students.
EL74 - October 1 EL Report	AzEDS Portal Application	This report compiles student level EL Program data for October 1 Enrollment purposes. Data is validated with specific integrity rules relevant to October 1 for numerous data elements. The student membership information displayed on this report is by District of Attendance (DOA) and District of Residence (DOR) and is post-integrity.
LEA Reason (for Lack of AZELLA Reassessment)	Assessments Application	All LEAs must complete the "LEA Reason for Lack of AZELLA Reassessment" due to a Title III finding from the U.S. Department of Education. Reporting this information does not remove a student from the requirement to test on the Spring AZELLA Reassessment.

TIP FOR SUCCESS: October 1 is a key funding date for Title III allocations. Don't wait to check your data! Start now and check regularly to ensure your LEA receives the maximum amount of funding for EL students eligible for and enrolled in language instruction educational programs.
