For all of these options, the final step to move forward is to select **Save Answer**.

The TSA is a randomized test. All questions and answers are ordered and arranged differently in every assessment.

NOTE: It is important to answer ALL questions. Any question unanswered is a **WRONG** answer and counts against your final score. Remember! Select Skip This Question or Mark for Review if you are not sure of your answers.

IF YOU NEED TO STOP THE TEST, PLEASE SELECT THE PAUSE TEST BUTTON ON THE SCREEN.

To interrupt the test, select the **Pause Test** button . Use the green **Resume Test** button at the top of the screen to resume the test at the last question you answered.

If the **Pause Test** button is not selected the system will automatically pause in about 60-70 minutes, and you will need to log back into the test with your original login information. The system will start the assessment where it stopped.

AFTER THE LAST QUESTION, A SUMMARY SCREEN WILL DISPLAY.
