

Identifying Homeless Students in Doubled Up Situations

Adapted from National Association for the Education of Homeless Children and Youth (NAEHCY)
"Determining Eligibility for Rights and Services Under McKinney Vento Act"

1. Get the facts. What is the family's or youth situation?
 - ▶ Use a standard enrollment form that asks about the family's living situation to gather initial information
2. Analyze the facts. Is the student eligible for McKinney Vento Services?
 - ▶ To be eligible, the student must meet the Act's definition of homeless.
 - ▶ Defines "homeless children and youths" as individuals who lack a fixed, regular, and adequate nighttime residence

Does the child's living situation fit one of the specific examples of homelessness listed in the law?
