However, with the Universal expansion this is no longer true, and the majority of students currently applying have not previously attended any public school.

This section provides information regarding the associated schools active ESA students are assigned to. As of September 2022, ESA students are associated with 398 of the school districts and charter districts (referred to as local education agencies or LEAs) in Arizona. The complete list of students by associated LEA can be found in Appendix A. In Quarter 4 (FY22), ESA students previously attended 366 school districts and charter districts.

## e. Parent Engagement & Feedback

This section includes a summary of the parent feedback that has been collected by the ESA program. It also includes a list of current and upcoming actions taken to address key feedback areas shared by ESA families and increase parent engagement.

### e.1 Parent Feedback

The ESA program solicits parent feedback through the following processes:

- ESA Parent Advisory Council
- Written comments
- Electronic surveys
- Town Hall meetings

#### Parent Advisory Council

The Department received 68 applications for the FY23 Parent Advisory Council (PAC). After reviewing applications, 14 applicants were selected. The first meeting, scheduled for October was postponed due to the Universal ESA expansion implementation effort.

#### Electronic Surveys

- The Department continues to provide a survey link to all service tickets resolved through the Department's HelpDesk for families to provide feedback. During Quarter 1, the Department received 192 responses to the HelpDesk-linked survey and an additional 60 responses to the Website-linked survey.
- ESA Program Satisfaction Survey (HelpDesk)
  - [Q1 HelpDesk Survey](#)
  - [Q1 HelpDesk Survey Responses - Redacted](#)
- ESA Program Satisfaction Survey (Website)
  - [Q1 Website Survey](#)
  - [Q1 Website Survey Responses - Redacted](#)

## **Town Hall Meetings**

The Department held the following town hall meetings during Quarter 1. The recorded videos were shared with all families and are also posted on the website homepage.

- August 9, 2022
  - Topic: [ESA 101](#)
- August 16, 2022
  - Topic: [ClassWallet](#)

## **e. 2 ADE Response to Feedback**

The top feedback received from account holders in Q1 was as follows:

- Lack of a specific ESA tool that would allow families to easily see a student's transaction history; a new step-by-step guide to downloading an account transaction history was created and sent to all parents on 8/26/22.
- Wanting consistency in order approvals; the team continues to meet daily with management and has implemented a spreadsheet system.
- Consistency in HelpDesk ticket responses; the team has a shared document with frequently asked questions and meets daily to go over any questions related to tickets.

## **ESA Weekly Newsletter**

All families receive a weekly newsletter, called the ESA Weekly Bulletin. This email includes upcoming town hall information, program updates and helpful tips.

## f. Private Financial Management Firm

This section includes information on the private financial management firm, ClassWallet.

### f.1 ClassWallet Accounts

ClassWallet: Count of Students <sup>2</sup>	
Active	17,291
Exited	5,514

### f.2 Providers and Vendors

As of Sep 30, 2022, there were 3,233 vendors/ providers in ClassWallet. This is up from Quarter 4 which had 2,961 vendors. This quarter we are tracking how many vendors are active by recording how many have an active bank account linked. This gives ESA a better understanding of how many active vendors are operating.

### f.3 Communications & Trainings

Training videos are available on the ESA website at <https://www.azed.gov/esa/classwallet>. In addition, the Department has posted a short informational video on the ESA website that is specific to the Arizona ESA program at <https://www.azed.gov/esa>.

### f.4 Parent Concerns and Responses

Concerns ESA received from parents pertaining to the financial management system were the same issues the Treasurer's Office and ClassWallet reported, and were as follows:

- Parent accidentally paid incorrect vendor and expressed concern that there wasn't a safeguard to keep that from happening. (The Department will continue to remind parents to check the vendor name carefully before submitting order)
- Parent unhappy that they had to place Amazon order for large playground structure several times due to 3<sup>rd</sup> party vendor and freight shipping issues. (Order placed successfully)
- E-mail sent by ClassWallet to Arizona parents that was meant for Georgia participants. (Both ESA and ClassWallet sent out an email to Arizona users letting them know to disregard email addressed to Georgia program participants)
- Parent concerned that rejected ClassWallet orders must be resubmitted. (Looking into options with ClassWallet that would allow for partial rejection, if one or more items is allowable)
- Parent upset because they believed the student's account was missing an Amazon refund. (Refund had been successfully applied and parent hadn't realized)

### f.5 Other Requests

There were no additional financial management requests identified by the Board for this report.

---

<sup>2</sup> ClassWallet data does not match ESA IT data due to account suspensions, lag in closure time, and 3-year renewals

## **g. Appeals**

This section includes information regarding appeals filed with the Board that were *resolved prior to a hearing*.

- During FY 23 Quarter 1 there were two appeals filed:
  - SBE00012: There was a staff error that was corrected prior to the appeal being filed with SBE, therefore, this *was not an appealable action*
  - SBE00013: Closed/settled prior to hearing due to the AG's opinion of the ability for all students to obtain vocational training course at public schools if allowed by the school district

## **h. Other Board Requests**

There were no other requests identified by the Board for this report.
