DISC72 – Discipline Validation Report

The Discipline Validation Report shows reported discipline incident information, whether or not they have passed discipline integrity, and if the incident is receiving any Warnings. Select the LEA, District of Attendance/District of Residence and School(s) you desire and choose whether you want a page break between schools. The first page of the report will be an aggregate count of reported violations and actions. Along with student identifiable information and indicators for passing or failing discipline integrity rules and warnings; the DISC72 shows the Incident ID, Incident Date, School ID, School Name, and Referral information. The associated Violations and Actions are listed below the Incident information, along with associated start date, end date, length, and data flags where applicable. This report can be used to find which Incidents have/have not passed integrity. This report is post-integrity. Detailed information on individual Integrity Rule Failures or Warnings can be found on the INTEG55 report.
