## **SSP Spotlight: Deputy Kristopher Sanchez**

**Title:** School Resource Officer

**School:** Holbrook Junior High

**District:** Holbrook Unified #3

"Deputy Sanchez has been a positive addition to our school culture. He helps to bring peace and security, but also he makes positive connections with students, staff, families as well as he bridges community connections for the school. Deputy Sanchez has been a role model for students that have a difficult home-life or have a history of making poor behavioral decisions. The students trust him and reach out to him for guidance and support. Deputy Sanchez brings a different perspective into the classrooms when he is teaching lessons

## Discovery Education

**The Arizona Department of Education and Discovery Education have a three-year partnership to provide all public and charter schools in AZ with Discovery Education's daily learning platform. This partnership brings over 200,000 dynamic digital resources and ready**

## **to use activities to educators and students at no cost to schools.**

Discovery Education provides robust content collections to support conversations around the dynamic process of change and growth. These resources speak to the Collaborative for Academic, Social, and Emotional Learning (CASEL) five competencies and help students learn about the holistic integration of the eight dimensions of wellness. Educators will find content and strategies for teaching about topics related to mental health, life skills, decision making, financial literacy and so much more.
