IMPORTANT NOTE

New Grantee Applications

For new grantee applications, first position requests for SROs will be prioritized over first position requests for SCs and SWs. The statute provides that the State Board awards grants on the recommendation of the Department of Education. The Department favors a counselor or social worker in every school, but first priority is for school resource officers to protect our students and prevent a potential massacre as has tragically occurred in other states.

At the top left is the Arizona Department of Education logo, featuring three stylized figures holding hands under a star, with the text "ARIZONA DEPARTMENT OF EDUCATION" around the perimeter. To the right of the logo, the text "Grants Management Enterprise" and "GME" is displayed in a large, blue font. The main content area on the right is titled "GME Home" and features a section for "Announcements". The first announcement is titled "FY24 GSA and Self Assessment Due March 1, 2023 (1/11/2023)" and states that the Arizona Department of Education (ADE) is providing updates by the Federal Government to organizations. It notes that the following reminders are critical to note as we prepare for the upcoming deadline. The announcement includes two bullet points: "FY24 General Statement of Assurances (GSA) and Self Assessment organization will not be affected by a global hold (which prevents an organization from drawing down funds)" and "Grant funding applications and budgets are due May 1, 2023. Timely approvals, will allow your organization to draw down funds as early as possible." At the bottom of the page, the user's name "Walker .Jenny" is visible.

When the application is ready to be 'submitted' to ADE, return to the "Sections" page, and change the status to "Draft Completed" to initiate the LEA levels of approval.

Authorized LEA representatives will need to review the application and change the status to the following:
