LEA's "reasonable" deadline for receiving the Intent and required data: \_\_\_\_\_

### LEAs with no private schools:

- The LEA has done due diligence locating potential private schools.
- The LEA has no eligible private schools in the area.
- The LEA is unaware of any private schools serving their student(s).

Intent to participate (yes) indicates that the private school has at least one student enrolled in the current year (2022-2023 SY) meeting funding criteria. The private school must submit relevant data (detailed below) along with this form. This data determines if the private school is eligible for the program(s) that indicate intent to participate.

The nonprofit private school intends to consult on the following programs:  
(NA indicates the LEA does not participate or the nonprofit private school is not eligible based on location.)
