If you continue testing the next unit within the same testing day:

A significant break must be given between test units. The remaining test units may be administered after the break or on another test day.

At the end of the test unit, the student is routed back to the Available Tests screen. At this point the Test Administrator can unlock the next unit in PAN, the student can click the “Refresh” button and the “Start” button will activate. The student does not have to sign in again to continue. If testing will not continue, the student should be instructed to sign out of TestNav.

SAY Click the “Refresh” button. Click the “Start” button to launch the next test unit. Once you complete the test unit, you will be routed back to the Available Tests screen.

Follow the same steps and procedures for Units 2 and 3 of the AzSCI test.

After Unit 3, continue reading the scripted directions from page 25 of Test Administration's Directions.
