

Minecraft Education Mentor Bio

Heba Sinclair

***Education Technology Integration Specialist
Tucson Unified School District***

Professionally, I am:

- Technology Lead
- Educational Technology Integration Specialist
- Lead, Minecraft: Education Edition
- Professional Learning Specialist
- Educator

I bring twenty-one years of experience in technology management, delivery, and educational technology to my work with K-12 Educators and Policy Makers. Specifically, I help to integrate technology into curriculum and the classroom. I have a Master of Science degree in Technology Management and have worked at the collegiate and K-12 levels. I am passionate about educational technology and bring high energy and enthusiasm to everything I do.

Professional Passions are:

- Minecraft: Education Edition
- 3D Interactive Technology
- A-Ha moments

Personally, I am a:

- Mother
- Advocate
- Baker
- Sports fan

I have extensive cross-cultural experience and commitment to diversity and inclusion. I have traveled internationally, connecting with other cultures, and worked relentlessly to support those with special needs.
