General Program Compliance: Reporting and Recordkeeping

- | | | |
|---|--|---|
| 1 Production record serving size is inaccurate. Specifically, carrots and Brown Rice served at lunch on 3/6/23 and 3/9/23 credited as 1/2 cup and 1 cup respectively; however, the production record indicated it contained carrots credited as 1 and Brown rice credited as 1/2 cup. | Discussed how to credit meal components and ensuring consistency with recipes, labels, and production records. Crediting resources can be found on ADE's website at https://www.azed.gov/hns/nsfp/forms under the Menu Planning accordion. | <i>Please provide a production record that reflects the correct serving size information for carrots and brown rice. Additionally, please provide a written description of changes made to ensure crediting is correctly reflected on recipes and production records.</i> |
