iv. **Concerns from parents submitted to the Department, the Treasurer and the private financial management firm and how the Department, Treasurer and private financial management firm are addressing the concerns.**

Concerns from Parents to Department, Treasury and Private Financial Management Firm	
<i>Arizona Department of Education</i>	
Concern	Address Concern
ACH Double Postings	Contacted ClassWallet, had assurances from their vendor that the weak process points were addressed.
Taxes & shipping fee not always refunded on cancelled orders	Issue is not consistent across all cancelled orders. Must be handled individually.
Approved funds not deposited immediately	Funds processing is highly manual. Automation will be considered going forward.
<i>State Treasurer’s Office</i>	
Concern	Address Concern
ACH vendor payments were processed and then reversed	Resolved, but ClassWallet is looking for a new vendor to handle the ACH processing.
CW webport was down. No communication provided	Resolved.
I want to provide some information about the issue with Apple for Families, hosted by Office Depot. It was brought to attention that users were able to click on the “My Account” link and see other user order information including names and addresses, but no other identifying information.	Resolved. Issue resided with Office Depot.

Private Financial Management Firm - ClassWallet	
Concern	Address Concern
Add the capability for vendors to show if items are in stock and estimated delivery times.	The user shopping experience and whether an e-commerce vendor includes inventory and estimated delivery times is controlled by the vendor. We have requested vendors to not display items that are low in stock. Working within these industry limitations, ClassWallet has a dedicated Vendor Management Team that carefully monitors the interaction and success of our integrated vendors and their service to parents. Any inordinate amount of complaints through their customer success team regarding shipping and inventory escalates to the Vendor Management team so they can immediately address them with the vendor.
Add a feature on the home page to search items and sort by price regardless of vendor. It takes so much time to search vendors one at a time to compare prices.	Among the vendors made available to Arizona parents, there are approximately 1.3 million unique educational resource and supply items available to them, excluding the additional 35 million items available through Amazon. While some big-box retailer business-to-business integrated e-commerce vendors (i.e. Staples, Office Depot) have SKU-level catalog sharing capabilities, most do not. Therefore, there are industry-wide limitations related to this particular request.
Provide vendor contact information on vendor pages.	ClassWallet is releasing its updated vendor user experience which will include vendor phone numbers in the ADE fiscal year Q4 2023.
Approval wait times are too long and inconsistent.	This is an ADE issue because ADE employees do all approvals for the Marketplace, Direct Pay & Reimbursements.

(g) Information regarding appeals filed with the Board that were resolved prior to a hearing.

ESA Appeal 00006 – March 8, 2023 – Account holder’s student was found to be in a public school when the ESA account was active. By the time that this appeal reached our office the public school enrollment system updated and the situation resolved. Account holder withdrew the appeal.

ESA Appeal 0010 – March 29, 2023 – Account holder claimed an allowable educational item should have been approved. The account holder was correct, so she reordered the same item and it was approved on the same day. This was a training error by a staff member. Account holder withdrew the appeal on the same day.

(h) Information related to the audits completed, including:

i. Scope of the audit.

The Auditor has indicated that the ESA program will be audited on an annual basis as required by statute and SBE rule. Additionally, random and quarterly audits will be conducted as needed.

We are hoping that

our newly designed ESA ticketing system will be live on or before August 1, 2023.
