Integrity Error -40089

Error Message:

SPED Preschool Student Exit Preschool Outcome Assessments must indicate if progress was made.

Description:

When Exit Preschool Outcome is reported, the Progress Made must indicate Yes or No.

Example:

- SPED
    - Site
    - Preschool LRE
    - LRE Exit Date
- Student Special Education Assessment Outcome
    - Site
    - Assessment Period Exit
    - Outcome
        - Social-Emotional
        - Knowledge-Skills
        - Behaviors

Is Student Exiting Preschool?

And IsProgressMade not blank?

Each Preschool Outcome Exit must be Yes or No for IsProgressMade.

Troubleshooting:

- Ensure LRE reported is a Preschool LRE on the SPED10 report in the AzEDS portal.
    - Ensure the exit date is reported for the Preschool LRE.
- Ensure Preschool Outcomes data are on the SPED11 report in the AzEDS portal.
- Ensure any Preschool LRE in the SPED10 report has corresponding exit Outcomes data in the SPED11 report.
- Ensure that IsProgressMade is Yes or No.
- Once corrected, allow integrity to run overnight to see if the student is passing integrity on the SPED72 report.

A listing of all Integrity Rules can be found on the AzEDS website.
