Integrity Error -40092

Error Message:

All SPED needs within a Least Restrictive Environment code L must be marked as ancillary.

Description:

Any SPED need within a Least Restrictive Environment L (Ancillary services provided for Students not on an IEP) must be marked as Ancillary.

Example:

- SPED
  - LRE
- Ancillary Need

-40092
If LRE code L, is the need
marked IsAncillary?

Troubleshooting:

- Verify the LRE code is accurate.
- Check that all needs are marked IsAncillary if LRE code L.
- Review the Concurrent Need and Least Restrictive Environment (LRE) Code Eligibility Matrix.
- Review Ancillary Needs Reporting in AzEDS.
- Once corrected, allow integrity to run overnight to see if the student is passing integrity on the SPED72 report.

A listing of all Integrity Rules can be found on the AzEDS website.
