There are situations when a child or youth who is homeless may not be able to reside with their parent or guardian; however, this fact does not nullify the child's/youth's right to receive a free, appropriate public education. This form is not a legal document and solely for school contact only.

The adult "caregiver" requesting enrollment for a minor student presenting him/herself for enrollment and educational services while not in the physical custody of a parent or legal guardian shall complete this form.

By signing below, I acknowledge the following:

- I am 18 years of age or older and have agreed to fulfill the role of caregiver for the minor student named below, who is unaccompanied by a parent or legal guardian.
- I agree to make a good faith effort to encourage the minor student named below to attend school.
- I will attempt to contact the school office if I become aware that the minor student named below will not be attending school on that day(s) and share whether the absence is with or without my approval.
- I have provided the school district with proof of my residence and personal identification.
- I understand that signing this document does not make me the legal guardian of the minor student listed below or make me financially responsible for the minor student, even if I am providing financial support to the student.
- I understand that I may choose to make educational decisions on behalf of the minor and in all other ways stand in for the authorizing party with respect to federal, state and district educational policy, including, but not limited to, accessing the minor's educational records, representing the minor in enrollment, disciplinary, curricular, special education or other matters, signing permission slips for school activities, and any other decision that facilitates the minor's educational experience.

 The student is staying at the following location: _____

Please check any that apply:

- While I am currently helping with the care of the minor student, I do not wish to assist school officials with making education-related decisions.
 I have notified the parent(s) or other person(s) having legal guardianship of the minor of my intent to assist school officials with making education-related decisions in the best interest of the student and have received no objection.
Please provide the name and phone number for the parent: _____
 I am unable to contact the parent(s) or legal guardian(s).

Caregiver Signature: J _____ Date: _____

For School Use Only

This form should accompany the Student Residency Questionnaire. Send the original forms to the LEA Homeless Liaison. The student's cumulative file should not include a copy of this form and you should not make copies under any circumstances.
Name of school site personnel who enrolled the student: _____

- The McKinney-Vento Act includes the following provisions specific to unaccompanied youth:
- The right to **immediate enrollment without proof of guardianship**;
- Assistance from the local homeless education liaison (hereafter local liaison) to select a school of attendance, whether the **local attendance area school or the school of origin**;
- Receive **transportation** to and from the school of origin, if requested; and
- Ensure the prompt and fair **resolution** of any **disputes** in accordance with the **Rights of Homeless Students**.

Early Childhood Referrals and Homeless Identifications

LEA Liaisons ensure that:

- homeless families and homeless children and youths have **access to** and **receive educational services** for which such families, children, and youths are eligible, including services through
 - **HeadStart** and **Early HeadStart** programs
 - **AzEIP (Arizona Early Intervention Program)** and **other services** under part C of IDEA, and
 - **LEA administered preschool programs**

Required Procedures

- **Best Interest Determination (BID)**
- **Transportation**
- **Dispute Resolutions**
 - **LEA-Level Dispute Resolution**
 - **LEA vs. LEA Dispute Resolution**
 - **SEA-Level Dispute Resolution**

Best Interest Determination (BID)

“The McKinney-Vento Act strongly emphasizes the importance of school stability for homeless children and youths. Therefore, the McKinney-Vento Act calls for LEAs to maintain students in their school of origin to promote school stability and greater educational outcomes overall, unless it is not in the student’s best interest. LEAs must make school placement determinations on the basis of the “best interest” of the homeless child or youth based on student-centered factors. [42 U.S.C. § 11432(g)(3)(B)]”

ADE McKinney-Vento Act Best Interest Determination (BID) for School Placement

- The **school placement** decision should be a **student-centered**, individualized determination. Factors that an LEA/Charter District **may** consider include:
 - the age of the child or youth,
 - the distance of the commute to and from the school of origin and its impact on the student's education,
 - personal safety issues,
 - the student's need for special instruction (e.g., special education and related services),
 - the anticipated length of stay in a temporary shelter or other temporary location, and
 - the time remaining in the school year.

McKinney-Vento Act
Best Interest Determination for School Placement

The McKinney-Vento Act requires school districts to consider the school of origin as the first option in school enrollment. Parents may choose the school of origin or the school in the residency (the area where the child(ren) currently live (school of residency may also be referred to as local area attendance school)). Individuals who may be consulted when determining what placement is in the child(ren)'s best interest include the following:

- child(ren) or youth experiencing homelessness,
- parent, guardian, or caregiver of the child(ren) or youth,
- district/charter homeless liaison,
- school site personnel (e.g., counselor, social worker, SPED teacher, etc.), and
- homeless shelter personnel.

It is the school district's responsibility to determine the school of origin and residency, and to resolve any conflict concerning the school placement by focusing on the best interest of the child(ren). Whenever possible, the school district should comply with the wishes of the parent, guardian, caregiver, or unaccompanied homeless youth. If the school district and parent, guardian, caregiver, or unaccompanied homeless youth do not agree on the appropriate placement, the school district's Dispute Resolution Procedure must be followed. In such cases, the child(ren) should be enrolled in the school that the parent, guardian, caregiver, or unaccompanied homeless youth has chosen until the conclusion of the resolution process. If the school of origin is determined to be the best placement, the local homeless education liaisons both school of origin and local attendance area school must work together to arrange transportation.

The McKinney-Vento Act requires that a child or youth experiencing homelessness attend:

- **School of origin:** School of origin is defined as "the school that a child or youth attended when permanently housed or the school in which the child or youth was last enrolled, including a preschool". Further, "when the child or youth completes the final grade level served by the school of origin, the term school of origin shall include the designated receiving school at the next grade level for all feeder schools" [42 U.S.C. § 11432(g)(3)(I)]. or
- **Local attendance area school:** Local attendance area school is defined as "any public school that ~~enrolls~~ enrolls students who live in the attendance area in which the child or youth is actually living or eligible to attend" [42 U.S.C. § 11432(g)(3)(A)(ii)].

Whether the child or youth will attend the school of origin or the local attendance area school, enrollment should take place immediately.

See [42 USC CHAPTER 119, SUBCHAPTER VI, Part B, Education for Homeless Children and Youth, \(A\), \(B\)](#) for more information regarding the "Best Interest Determination".

The information collected supports the agreement in determining the school enrollment in the best interest of the child or youth experiencing homelessness and will provide the input required to develop a written should the parent, guardian, caregiver or youth disagree with the decision.

Transportation

“SEAs and LEAs are **responsible** for **reviewing** and **revising policies**, including transportation policies that may act as barriers to the identification, enrollment, attendance, or success in school of homeless children and youths in the State...(and) must **adopt policies** and practices to ensure that **transportation** is provided, at the request of the parent or guardian (or, in the case of an unaccompanied youth, the liaison), to or from the school of origin...”

(SEA).**

Important Reminder

Students in Foster Care

Students in the **foster care system are no longer counted in HCY enrollment data**, as per the reauthorization of the Every Student Succeeds Act (ESSA) in December 2015.

Important Reminder

Preschool-Aged HCY Children

Identified HCY between the ages of 3-5 years **are included** in your LEA's/Charter District's total enrolled HCY, **only if they are enrolled in a preschool program provided by the LEA/Charter District.**

Children ages 0-2, or 3-5, and **not enrolled in a preschool program at your LEA/Charter District, are not included** in the total enrolled HCY count.

Important Reminder

HCY & UHY Students

Identified **HCY students** are **required to have their needs identifiers and corresponding primary nighttime residence** entered in the student information system (SIS).

Identified **UHY** must be coded with **both the HCY and UHY needs identifiers and corresponding primary nighttime residence** in the SIS.

Important Reminder

If a HCY/UHY Student Leaves the LEA/Charter District

Once a student is identified/enrolled at your LEA, they should remain in the total enrolled HCY count for that **school year** in the SIS, even if they move transfer to another LEA/Charter District.

Often, LEAs/Charter Districts label these students as “inactive” since they are no longer enrolled. However, **they must still be counted in the reported number of enrolled HCY/UHY for the school year.**

Important Reminder

If McKinney-Vento Services are Declined

If a parent, guardian or youth decline services under the provisions of the McKinney-Vento Act, **the LEA is still responsible for ensuring the proper identification and meeting reporting requirements for HCY.**

Important Reminder
