- a) class names
- b) aligned approved grant objective number
 - i. Academic 1.1, 1.2, and 1.3 (if applicable)
 - ii. Youth Development 2.1 and 2.2 (if applicable)
 - iii. Family Engagement 3.1 will **NOT** be used on your schedule, these activities should be included in Part B online form
- c) dates and times classes were held

Remember the purpose of the schedule is for your Education Program Specialist to get a picture of the programming offered on your campus. Your EPS should be able to answer the following three questions by looking at your schedule:

- 1) Do the classes include all objectives from the latest approved grant?
- 2) What are the days and times the program is open?
- 3) Is there a balance between academic and enrichment classes?

The schedule will be uploaded below the Online forms under “**Evidence Documents Uploaded.**”

It is a two-step process to upload your schedule, be sure to do both steps.

1. Select Files, choose the file you want to upload
2. Click Upload
