

Construction (K-8 Career Literacy)

Arizona Construction Days: azccd.com/

(Grades 6-12) Free support for students, teachers, and career counselors to understand better the many career opportunities that are available in the Construction Industry.

Construction Ready Schools: constructionready.org/k-12-construction-program/

(Grades 2-12) Complete framework for building a successful program that includes starter kits with curriculum.

Build 48 Camp: [Rosendin Electric](http://RosendinElectric.com)

(Grades 7-8) The yearly 3-day camp provides hands-on activities on construction safety, hand and power tools, soldering, carpentry, and painting. The event is hosted by local construction companies.

Construction Careers – Learn to Build: constructioncareers.org/learn2build/

(Grades 5-8) Learn2Build provides construction career exposure for middle school youth by offering activity kits, hands-on events such as construction camps and after-school programming, and resources for teachers to use in their classrooms.
