

Arizona Johnson O'Malley Forum

Thursday, January 25, 2024
9:00 a.m. - 12:00 p.m. (MST)

Meeting Purpose

The overall purpose of this forum is to provide an opportunity for all JOM contractors in Arizona to unite and discuss any challenges with JOM, gain guidance, and share best practices. Discussion topics include student count process, training needs, and ideas for more effective management of JOM. Each quarterly forum is recorded to document the needs of JOM contractors, and the guidance provided by participants, NJOMA, and the Bureau of Indian Education (BIE). Ultimately, the forum provides an opportunity to collaborate in creating a united and consistent support structure for Arizona Indigenous students.
