This tool is designed to be customized to fit your program. You may find that you have more questions in one group or area over the other. The questions may need to be adjusted to language that pertains to your LEA's Homeless Education Program (HEP) and the services you're currently providing. The questions are intended to spark discussion and thought. This will allow you to create a framework for future HEP planning.

The ADE Office of the Coordinator has developed guidance documents and sample forms in alignment with both the McKinney-Vento Homeless Assistance Act and the ESSA Arizona State Plan. Please note that these documents have been developed for McKinney-Vento Homeless Liaisons to adopt and adapt to fit the needs of their LEAs.
