³ Table 4 captures the school districts and charter schools that students attended immediately prior to enrolling in the ESA program. However, this information is only reported from fiscal year 2017 through fiscal year 2024—Quarter 2. It does not cover the period from fiscal years 2011 through 2016, when the ESA program was first implemented. In fiscal year 2017, the Arizona Department of Education (ADE) implemented a new student information system (SIS). Because of the risks of relying on student level data from 8 fiscal years earlier that were migrated from another SIS, we chose only to report on data beginning in fiscal year 2017 for the purposes of this report.

Any student on the ESA program who has not previously attended a public school and been identified at a public school as an ELL student will not be included in this figure. ELL students not included in Table 5 are those who entered the ESA program as kindergarten students or students who were homeschooled and never attended public schools.
