<b>Specialist - scorer</b>	<b>Total points available</b>	<b>Points earned</b>	<b>Date</b>	<b>Initials</b>

**Program Narrative questions checklist**

**1. Tracking the Journey**

- Goals that are being set for this project are included
- The frequency in which the goals will be monitored is included
- The data to be used to determine success in accomplishing academic achievement and/or graduation rate goals are identified

**2. Turning Plans into Action:**

- Grant funded item(s) that will support the goals are included
- Desired results/outcomes for each item are clearly indicated

**3. Planting Seeds for the Future:**

- Description of how successful implementation of grant funded goals will continue when grant funding ends is included and detailed

**4. LEA Support for Success (a TEAM Sport):**

The LEA's strategy for both supporting and ensuring the success of the school's grant funded strategies and action steps is clearly described, and includes

- Concrete steps for implementation
- Individuals responsible
- The timelines expected for monitoring progress
- Ways to measure outcomes

All budget items are

- Allowable
- ESSA Evident
- Align with CNA/Goals
