July 1, 2025

Dear Parents and Students,

Welcome! We are excited to have you as a part of the Empowerment Scholarship Account (ESA) program.

Arizona's ESA program was signed into law by the Governor in 2011. The Arizona Department of Education is responsible for administering the program in compliance with state law, as well as applicable administrative rules enacted by the Arizona State Board of Education. These governing laws and rules, to which the Department adheres, can be found in Appendix B.

The Department of Education's mission is to be a service organization that empowers parents in the education of their children. The ESA Parent Handbook is intended to help you navigate this innovative program. In addition to this handbook, we have many other resources on our website (azed.gov/esa) to help answer your questions and provide important information about the program. We also send out periodic emails with timely news and program tips. Previous emails can be found at https://www.azed.gov/esa/esa-support.

Again, welcome to the ESA program!

Sincerely,

ESA Program Team

Chapter 1 Introduction

Handbook purpose

The purpose of the ESA Parent Handbook is to provide parents information and guidance concerning the policies, procedures, and implementation of the ESA program.

What is an Empowerment Scholarship Account (ESA)?

An ESA is an account administered by the Arizona Department of Education (ADE) and funded by state tax dollars to provide options for the education of qualified students in Arizona, which includes preschool students with a disability and K-12 students eligible to enroll in an Arizona public school. ESA funds do not constitute taxable income to the parent of the qualified student.

The ESA program allows parents and guardians of qualified students to utilize state tax dollars through Empowerment Scholarships to purchase educational materials and services from educational and retail vendors, private schools, and a variety of education service providers. Eligible students receive Empowerment Scholarships that are equivalent to 90 percent of the state funding that Arizona would have spent on them had the students attended their local public schools.¹

Pursuant to Arizona Revised Statutes (A.R.S.) §15-2402(B)(1), Empowerment Scholarship Account Holders must spend a portion of their Empowerment Scholarships to provide an education in at least the following subjects: reading, grammar, mathematics, social studies, and science.

Accepting an Empowerment Scholarship

By accepting an Empowerment Scholarship, a parent or guardian becomes an Account Holder by entering into a legal contract with ADE pursuant to A.R.S. §15-2402(B). In exchange for the Account Holder's commitment to the obligations set forth in the ESA contract and state law, ADE creates an ESA for the current school year and agrees to fund ESAs on a quarterly basis.²

An eligible student's Empowerment Scholarship amount depends on several factors including annual legislative budget appropriations for education, disability status, and the school district in which the student resides. Learn more at https://www.azed.gov/esa/esa-support, under the ESA Funding dropdown menu.

¹ This does not include any federal or local funding

² Empowerment scholarships are based on current-year funding factors. However, when contracts are signed by parents prior to the second quarter of each fiscal year (October 1 through December 31), the contract will reflect funding factors from the prior fiscal year since funding amounts associated with current-year funding factors are not final until after the first quarter (July 1 through September 30) has begun. Final Empowerment Scholarship amounts cannot be determined until amounts associated with current-year funding factors are finalized in Quarter 1 of each fiscal year. As a result, in Quarter 2 of each fiscal year, Account Holders may see an adjustment to their students' Empowerment Scholarship amounts. An adjustment could be either an increase or a decrease to funding. Most funding adjustments are a small percent of total award.

ESA funding dates

When your student has received his or her Empowerment Scholarship, the student's account will be funded according to the following schedule:

Quarter	Dates	Funding dates
1	July 1 – September 30	July 15 – July 31
2	October 1 – December 31	October 15 – October 31
3	January 1 – March 31	January 15 – January 31
4	April 1 – June 30	April 15 – April 30

Attention: Empowerment Scholarships are not intended to fund students who intend to be on the program only during the summer months by enrolling in the summer and then withdrawing and returning to a public school at the beginning of the new school year.

Families who apply, receive, and spend Empowerment Scholarships under this scenario will be asked to repay their scholarship funds and will be referred to the State Board of Education (SBE) for collections if they fail to repay the owed scholarship funds.

Empowerment Scholarships are stored in a digital wallet for each student

Each student's ESA funds are stored and spent through a digital wallet. The digital wallet is on the ClassWallet financial solutions platform, with whom the state has a contract to administer the digital wallets. Each quarter, ADE funds the digital wallets and Account Holders are then able to spend their students' ESA funds.

Account behavior that can cause termination

The Department reserves the right to terminate an ESA for violations of the contract (please refer to your contract for all terms and conditions), applicable policies, rules, or laws. Examples of violations that are likely to result in termination include:

- Enrolling the student in a public district school, charter school, or public online school (including summer public school), without paying the public or charter school tuition for enrollment as an ESA student.
- Accepting any School Tuition Organization (STO) scholarship or tax credit scholarship concurrently while on an ESA contract in the same contract year.
- Failing to provide debit card transaction receipts by the quarterly deadlines.
- Failing to spend a portion of your student's ESA funds annually in at least the following subjects: reading, grammar, mathematics, social studies, and science.
- Misspending funds or committing fraud.
- Reselling items purchased with Empowerment Scholarships.

Handbook updates

Pursuant to Arizona Administrative Code (A.A.C.) R7-2-1503(1), ADE reviews this handbook under the guidance of the SBE. On or before March 1 of each year, ADE provides SBE with a handbook, developed in consultation with parents of children on the ESA program, that includes information relating to policies and processes of ESA. SBE adopts the handbook on or before May 1 of each year. SBE limits substantive changes to the handbook to once every three years. However, policies can and will be added and/or redacted in response to newly enacted legislation, court decisions, rule changes, and/or suggestions for best practices, which may occur more frequently. In these cases, ESA staff will notify Account Holders of these necessary change(s) to the handbook and their effective date(s) via the ESA website and/or through other types of communication.

How to stay updated

We encourage ESA Holders to visit ADE's <u>ESA website</u>, for the most up-to-date information. ADE will communicate with ESA Holders by periodically sending emails.

Parent Advisory Committee

The Arizona Department of Education developed the Parent Advisory Committee (PAC) as one of the ways it solicits parent feedback on specific ESA program processes and procedures. The PAC is a group of parents who meet at least three times per academic year with ESA staff to share challenges, give feedback, and to discuss ways to improve the program for all ESA families. Information about the committee is available on our website at https://www.azed.gov/esa/esa-parent-advisory-committee.

How to get assistance

The ESA Team is available by phone at (602) 364-1969

Arizona residency requirement

In accordance with <u>A.R.S. §15-2401(5)</u>, parent means a resident of this state who is the parent, stepparent or legal guardian of a qualified student. Additionally, <u>A.R.S. §15-2401(7)</u> defines a qualified student as a resident of this state. Therefore, a parent, stepparent, or legal guardian will be asked to provide proof of Arizona residency at the time of application and at any time they are enrolled in the ESA program.

Acceptable Proof of Arizona Residency documentation requirements can be found in Chapter 2, ESA Eligibility Requirements and Application Process.

Changes related to emails, addresses, and phone numbers

Account Holders <u>must</u> contact the Department and update contact information, including email address, mailing address, or phone number within 30 days of any change.³

Security of sensitive information

Confidentiality

Under state law, including A.R.S. §15-1045, which incorporates the protections of the Family Educational Rights and Privacy Acts (FERPA), the Department is obligated to keep all student "education records" confidential and secure. While certain records collected or maintained by ADE or SBE through the ESA program may not fall within FERPA's definition of "education records," it is likely that other records that come into possession of ADE or SBE through the ESA program are "education records" for FERPA purposes. The Department and ESA staff will not release personally identifiable information regarding your child, including financial information or personal details (this includes your contract information) to private schools, education service providers, vendors, or anyone who is not the Account Holder or their designated advocate. Additionally, all ESA vendors and service providers will respect the confidential nature of an Account Holder's personal information and collect only the data required to provide services. They will not share or distribute an Account Holder's personal information except as provided in the applicable Terms of Service and the third-party vendor's privacy policy or as may be required by law.

Advocates

ESA staff also protects ESA students' personally identifiable information by only communicating with ESA Account Holders and Applicants directly. Account Holders and Applicants may have advocates, friends, or family members (collectively referred to as advocates) assist them in navigating the ESA program. This assistance may include an

Chapter 1 | Introduction

advocate participating in conversations or correspondence regarding an ESA account or assisting an ESA Applicant through the application process. However, ADE's expectations are that the Account Holder or ESA Applicant takes full responsibility and accountability for the ESA and its use of scholarship funds. Additionally, while ESA Applicants and Account Holders may use advocates for assistance, ADE always requires Applicants or Account Holders to be on calls or emails when communicating with ADE regarding their ESA applications or participation.

If Applicants or Account Holders want to include an advocate in their communications with ADE, then the Applicant or Account Holder must submit a written notification to ADE. Advocates may not submit documents to ADE on behalf of the Account Holder or Applicant. Account Holders or Applicants must submit their own documents but may copy their advocates on an email or invite them to be on a call.

Account Holder responsibilities to secure sensitive information

Account Holders should secure their prepaid debit cards and ClassWallet accounts just as they would secure their personal debit cards and bank accounts. The Department encourages Account Holders to use caution when providing personal information to third parties, such as social security numbers, dates of birth, ClassWallet debit card information, or ESA Application IDs, as examples. Specifically, Account Holders MUST NEVER SHARE ClassWallet login and password credentials with anyone, including private schools, education service providers, or vendors. To further protect your account, the Department also recommends Account Holders refrain from sharing details of their awards to third parties, including a qualified student's private school, education service providers, or vendors.

Homeschool affidavits

A.R.S. §15-2402(B)(5) requires that the parent of an ESA student not file an affidavit of intent to homeschool. This means that an ESA contract serves as the "affidavit" or proof that the student is receiving an education as required by Arizona law. If an ESA parent already has a homeschool affidavit on file, the ESA parent should contact the appropriate county superintendent's office for withdrawal instructions. Although ESA parents may use funds for home education, their ESA students are not classified as "homeschoolers" for purposes of state law.

Chapter 3 Purchase and Program Requirements

The ESA program is designed to allow Account Holders to make the educational choices that best serve their students' needs. The Department is required by law to administer the ESA program and uphold all ESA laws and rules. These laws and rules can be found in Appendix A and Appendix B.

Important things to keep in mind:

- 1. The ESA program does not create or maintain a list of recommended schools, vendors, or educational service providers.
- It is at the Account Holder's discretion to choose educational service providers or vendors. It is the sole responsibility of the account holder to ensure that an educational service provider has the proper accreditation or credentials prior to receiving a service.
- 3. It is Account Holders' responsibility to follow the law and terms of their ESA contracts and use Empowerment Scholarships for purposes allowed under A.R.S.§15-2402(B)(4). Although ADE cannot provide legal advice, this Parent Handbook aims to provide technical assistance to help determine what purchases are allowable.
- 4. Account Holders and parents or guardians who are not designated account holders, cannot be paid with any funds from their students' Empowerment Scholarships. Additionally, students receiving Empowerment Scholarships cannot use their scholarships to pay themselves for any purpose whatsoever.
- 5. Pursuant to A.R.S. §15-2402(J), a qualified school or an educational service provider may not share, refund, or rebate any ESA funds to the Account Holder (parent, stepparent, or legal guardian) or qualified student, in any manner.
- 6. A.R.S. §15-2402(B)(1) requires that a portion of each student's Empowerment Scholarship must be spent on at least each of the following subjects: reading, grammar, mathematics, social studies, and science.
- 7. Account Holders cannot use one student's Empowerment Scholarship to pay for another ESA student's educational items or services. However, this does not preclude account holders from purchasing allowable educational items for their ESA students and then allowing those items to be used by other ESA students later, such as siblings, who may be able to use the items to meet their educational needs as well.
- 8. ESA students must receive allowable purchases within the same contract year (July 1-June 30) that the purchases, including tuition, are paid. An exception can be granted to account holders who pre-pay school enrollment fees.

9. Account Holders cannot spend their students' Empowerment Scholarships to pay for any purchases made prior to when their student's contract was signed or prior to the contract effective date of July 1 (for new contract holders).

When Account Holders pay for tutoring or teaching services with an ESA debit card or seek reimbursement, they must submit receipts AND a copy of the tutor's credentials or the tutoring company's completed tutoring/teaching attestation form through the ClassWallet platform. Please note that screenshots of websites will not be accepted as a copy of an accreditation, credential, or attestation.

When submitting orders through ClassWallet's Pay Vendor option because the ESA program has already determined that those vendors meet accreditation, credential, or

¹¹ ESA reserves the right to request that an Account Holder resubmit accreditation or credential. Altering or manipulating any accreditation may result in termination and/or referral to the SBE, who can refer cases of fraud or misuse of funds to the Attorney General's Office. Curricula and supplemental material

Arizona Revised Statutes §15-2401(2) and Arizona Administrative Code (A.A.C.) R7-2-1501(3) define a curriculum as a course of study for content areas or grade levels, including any supplemental education materials required or recommended by the curriculum and approved by the Department.

In 2020, the State Board of Education, working in collaboration with the Arizona Department of Education and stakeholders, defined supplemental material as "relevant materials directly related to the course of study for which they are being used that introduce content and instructional strategies or that enhance, complement, enrich, extend or support the curriculum." See A.A.C. R7-2-1501(16).

When providing a curriculum to support the purchase of supplemental material or classes in a content area, curriculum documentation must include: 13

- Student name
- Course of study
- Learning objectives
- Method of teaching, lesson plans, and description of activities or exercises
- Required supplemental material needed to achieve the learning objectives within the scope and sequence. These materials are supplemental items to the curriculum.

Account holders should provide any other curriculum-related documentation that they believe supports the purchase of supplemental material.

¹³ If an Account Holder enrolls an ESA student in a class that is offered through a business that is not a qualified school pursuant to A.R.S. §15-2401, the class will be an allowable purchase as a course of study if the Account Holder provides a curriculum for the class. Alternatively, the class can also be approved as a teaching service pursuant to A.R.S. §15-2402(B)(4) if an Account Holder is able to provide evidence that the business or its teachers are accredited.

The following list includes examples of common supplemental material that require curricula. Documentation for a curriculum must clearly demonstrate that the item is recommended or required.

Additionally, consistent with <u>A.R.S. §15-2402</u>, the Department will approve expenses that are reasonably related to an educational or vocational purpose, based on consideration of the following factors:

- The specific circumstances and educational needs of the qualified student

- The primary purpose of the expense or item, based on ordinary and customary usage and the stated description of the expense or item
- The cost or quantity of the expense or item is not greater than what meets the student's education needs and circumstances in relation to other readilyavailable and reasonable alternatives

The Department may request additional information and/or documentation on a caseby-case basis to determine whether an expense is allowable.

Pursuant to <u>A.R.S. § 15-2403</u> and applicable laws and rules, all expenses are subject to risk-based auditing, annual random reviews by the Department, and other legislatively-authorized administrative actions designed to protect the integrity of the ESA program.

It should be noted that all orders processed under the Department's threshold for autofulfilled orders are not deemed "approved" by the Department, until they are audited OR the timeframe to audit the orders has passed.

Tuition or fees for a non-public online learning program

ESA approves tuition, fees, and required textbooks for non-public online schools or online learning programs. However, Empowerment Scholarships:

- Cannot be used to pay for online subscriptions or memberships that provide access to more than a single user, such as family subscription or memberships, unless you provide an itemized receipt that reflects each individual student's subscription or membership.¹⁴
- Can only be used for online learning programs or subscriptions for the contract year.

Helpful Hint: When paying for an online learning program, Account Holders can make themselves or their ESA students the online program subscriber and set the billing to the parent's name OR the parent and student's names.

EXAMPLE:

OR

Subscriber name: Billy Doe (student) / Billing name: John Doe (parent)

Billing name: John Doe – for Billy Doe access to online learning program(s)

¹⁴ When purchasing multiple tickets or memberships on the same receipt, please ensure the receipt is itemized or shows the count of items purchased. Otherwise, ESA program staff cannot determine the allowable portion of the order to review and it must be rejected.

Services provided by a public school

Empowerment Scholarships may be used to pay for individual classes and extracurricular programs provided by public district schools, public charter schools, public career technical education districts (CTEDs). Examples of these classes and extra-curricular programs are drama club, band, cheerleading, sports, art classes, vocational education classes, music classes, speech and debate, etc. Account Holders cannot use Empowerment Scholarships to purchase uniforms for these classes or programs unless specifically required by the class or program. If they are required, they will be categorized as *supplemental material*.

Please keep in mind that public schools have discretion on whether to accept ESA students for such classes or extra-curricular programs.

To avoid ESA suspension, if your ESA student enrolls in a public school class or program, please ensure that:

- The student is <u>not</u> enrolled in the public school as "Payer Code 1" (public schools understand this terminology).
- The public school must enter your student in its student information system as a
 tuition-paying student under "Tuition Payer Code 2". Enrolling in a public school
 as Payer Code 1 while in the ESA program violates state law and your ESA
 contract. Improper enrollment may result in your student's termination from the
 ESA program and require a repayment of Empowerment Scholarship funds.
- The public school provides you an itemized and complete tuition invoice or receipt for all classes and programs sold to your ESA student.

For any questions about paying for classes or programs at a public school, please contact the appropriate school or district office.

Fees for achievement tests, placement tests, and college entry exams

Pursuant to A.R.S. §15-2402(4)(g), Account Holders can utilize Empowerment Scholarships to pay for their students to participate in nationally standardized norm-referenced achievement tests. These tests can help determine students' ability to show mastery of appropriate grade level material. Funds can also be used for advanced placement exams, or any exams related to college or university admission. Prep courses for these exams are also allowed.

Tuition or fees and required textbooks at an eligible postsecondary school

In accordance with <u>A.R.S. §15-2401(4)</u>, Empowerment Scholarships can also be used for an eligible post-secondary institution such as:

- An Arizona community college, as defined in A.R.S. §15-1401
- A state university that is under the jurisdiction of the AZ Board of Regents
- An accredited private in-state or online postsecondary institution

Restricting the use of Empowerment Scholarships to in-state educational institutions has been upheld by the State Board of Education and an Administrative Law Judge.

Empowerment Scholarships may be used for textbooks, tuition, and fees required by the university or college classes. They cannot be used for room and board, meals, meal plans, food, or transportation.

Dual enrollment

Empowerment Scholarships may be used to pay for university or college enrollment when a high school student is taking college courses while still enrolled in a secondary school. This is referred to as dual enrollment.

Dual Enrollment programs allow students to take college classes while enrolled in high school. These classes count for both high school and college credit. High school students who complete dual enrollment may need to take fewer classes in college due to earning transferable college credits.

Public transportation services

In accordance with A.R.S. §15-2402(4), Empowerment Scholarships can be used for public transportation within the state of Arizona for ESA students between their residences and their qualified school where they are enrolled.

Public transportation services include:

- Commuter pass
- Transportation network company, such as taxis and ride sharing
- Public bus
- Taxi
- Vanpool service

Computer hardware and technological devices

In accordance with A.R.S. §15-2402(4), ESA funds can be used for computer hardware and technological devices such as:

- Calculators
- Personal computers
- Laptops
- Tablet devices

- Microscopes
- Telescopes
- Printers

You cannot use Empowerment Scholarships for devices that are primarily for entertainment. Additionally, other devices whose primary use is noneducational are also not allowable, such as:

- Televisions
- Telephones
- Video game consoles and accessories
- Home theater and audio equipment

However, audio equipment primarily used for education, such as headphones or earbuds, are an allowable expense and must be categorized as *supplemental material*.

Approved purchase categories for students with a disability

Pursuant to A.R.S. §15-2403, a student with a disability is a qualified student who:

- Qualifies as a child with a disability through a special educational evaluation from an Arizona public school district or charter school resulting in a determination of eligibility under the Individuals with Disabilities Education Act (IDEA) (A.A.C. R7-2-401(E)) or
- Has received an Individualized Education Program (IEP), Multidisciplinary Evaluation Team Report (MET), or 504 Plan from a previous public school enrollment, or
- Qualifies through an independent educational evaluation obtained for ESA purposes from a qualified examiner and can spend their Empowerment Scholarships for items and services that are not allowable for ESA students who do not have a disability. Table below has additional purchasing categories.¹⁵

Approved purchasing categories for students with a disability A.R.S. §15- 2402(B)(4) ¹⁶	Description
Associated goods/services and assistive technology	Associated goods and services, as well as assistive technology, must support the student's educational needs.
Educational therapy services	Educational therapy services must be provided by a licensed or accredited practitioner.
Paraprofessional and educational aide	Paraprofessionals and educational aides must be licensed.
Educational and psychological evaluations	These evaluations must be obtained from a public school or a qualified examiner. 15
Vocational and life skills	These programs include, among others, those offered at Career Technical Education Districts (CTEDs) and trade schools.

When making and submitting purchases through the ClassWallet platform, Account Holders will be required to select from the allowable categories above or from <u>Approved Purchasing Categories for ALL Students</u> to categorize their purchases.

_

¹⁵ "Qualified examiner" means a licensed physician (MD or DO), psychiatrist, or psychologist, pursuant to <u>A.R.S. §15-</u>2403(J)(2)

Account Holders with a student who qualified for the ESA program under a section other than "child with a disability," but who believe their student may have a disability should seek a special educational evaluation from their local school district to determine eligibility for special education under the IDEA or seek an independent education evaluation obtained for ESA purposes, pursuant to A.R.S. §15-2403. When updating your student's ESA to a disability eligibility, you must provide:

 A complete copy of the special educational evaluation (IEP, MET, 504 plan) from a public school

Special Education evaluations must include the signature page of the evaluation with at least one member's signature who is not the parent of the student.

OR

An independent educational evaluation (IEE) from a qualified examiner

IEEs must include a copy of the qualified examiner's license showing that the license was current at the time of the evaluation. This can be obtained from the State Board of Examiners website showing the qualified examiner's license number and expiration date.

Associated goods and assistive technology

In accordance with A.R.S. §15-2402(B)(4)(c)(iv), qualified students with a disability who have all supporting documentation on file may be able to use their Empowerment Scholarships to purchase goods and services associated with their disabilities ("associated goods"). These associated goods include sensory items, when applicable, along with educational and psychological evaluations, assistive technology rentals, and braille-translated goods and services approved by the Department.

A.A.C. R7-2-1505(B) states that associated goods may include computer hardware or technological devices that assist in accessing educational materials or services that are associated with the qualified student's needs.

Account Holders who are seeking to use Empowerment Scholarships for associated goods and assistive technology or services must provide the Department with 1 of the following:

- Documentation of the ESA student being enrolled in a course of study that supports the child's disability or other educational need with which the good or service is associated, or
- The most current IEP, MET Report, or 504 plan from a public school, or independent educational evaluation obtained for ESA purposes, which indicates the need for the good or service, or

 A letter from a qualified examiner, qualified service provider, or certified special education teacher indicating the need for the good or service.

If the purchase of an "associated good or service" has been rejected because the Account Holder provided insufficient documentation under <u>A.A.C. R7-2-1505(B)(4)</u>, an Account Holder may resubmit the purchase with sufficient documentation to have it approved.

When submitting any documentation, please highlight, mark the area(s), or use any other method that indicates that the requested items are associated with or needed for the educational need(s) of the student.

You may request a pre-approval for sensory items, associated goods, or assistive technology by creating an *ESA Support Ticket*; however, it is not required.

Educational therapies and services

In accordance with A.R.S. §15-2402(B)(4)(c)(i), both in-person and virtual educational therapies from a licensed or accredited practitioner or provider are approved ESA program expenses.

However, to receive purchase approval for educational therapies, Account Holders must provide a copy of the valid license or accreditation of the individual providing the therapy or therapeutic service.

No screenshots from the accrediting organization will be accepted. The copy must be:

- Legible
- Not expired
- Issued by an accredited board

A student must have a MET Report, IEP, or 504 plan issued by an Arizona public school or an independent educational evaluation obtained for ESA purposes from a qualified examiner pursuant to A.R.S. §15-2403(J) on file with the ESA program prior to paying for these services with Empowerment Scholarship funds.

Account Holders may request, through an <u>ESA Support Ticket</u>, Department approval to use a provider whose credential is not listed in the previous table.

Educational and psychological evaluations

A psycho-educational evaluation or assessment is the process through which psychologists or similarly licensed professionals observe and evaluate students.

In accordance with A.R.S. §15-2402(B)(4)(c)(iv), ESA students with a disability, who were identified at a public school through a special educational evaluation obtained for the purposes of determining eligibility under the <u>IDEA</u>, may use their Empowerment Scholarships to obtain a private psycho-educational evaluation.

The Department also accepts independent educational evaluations, obtained for ESA purposes, for updating a child's disability classification. See <u>Change in Disability</u> <u>Classification</u> to learn how to update a student's disability classification.

Vocational and life skills education for ESA students with a disability

Pursuant to A.R.S. §15-2402(B)(4)(c)(iii), a qualified student with a disability can utilize his or her Empowerment Scholarship for vocational and life skills education, approved by the Department. Empowerment Scholarships can be spent on tuition for vocational and life skills at colleges, vocational schools, and districts, including Career and Technical Education Districts (CTEDs), and trade schools.

Vocational education programs prepare students to work in numerous trade jobs or crafts. Vocational education can also be referred to as "career education" or "technical education" provided by a vocational or trade school.

A life skills education program is the building block that allows students to apply knowledge they acquire to real problems and situations. It is a form of education that encourages students with disabilities to effectively transition into adulthood by helping them to develop sound judgment and good habits for long-term stability, wellness, and success.

Combined, both vocational and life skills education programs are designed to help a student develop skills or interest in technical, trade, or craft-like careers while learning necessary skills such as self-reflection, critical thinking, problem solving, and interpersonal skills. This allows a student with a disability to live and work independently.

Additional information for parent of a student with a disability

It is important to understand, a child with a disability who participates in the ESA program does not have an individual right to receive some or all the special education and related services that the child would receive if enrolled in a public school (34 C.F.R. §300.137(a)). Nevertheless, children with disabilities who participate in the ESA program may still receive certain special education services from their district of residence, as described below.

Child Find

In Arizona, public districts are responsible for identifying all children with disabilities within their geographic boundaries, including children with disabilities who are attending private schools and those who are homeschooled (A.A.C. R7-2-401(D)(1)). This is known as "Child Find" pursuant to 20 U.S.C. §1412(a)(3); 34 C.F.R. §300.111(a). When Account Holders enter into an ESA contract with ADE, they agree to release their public school districts or public charter schools from most obligations to educate and provide services for their ESA students. However, under IDEA, a public district retains its responsibility to either:

- Evaluate a student for special education, or
- Provide the student's parents with a prior written notice indicating that it refuses to conduct the parents' requested evaluation (A.A.C. R7-2- 401(E)(4))

If parents or guardians of an ESA student believe their child needs to be evaluated, they may refer to the table below to determine which public school district is responsible for conducting the evaluation to determine if the child is eligible for special education under the IDEA.

Additionally, ESA students who qualified for the ESA program as a student with a disability under A.R.S. §15-2401(7)(a)(i)-(iii), may also use Empowerment Scholarships to pay for a private independent evaluation if they believe an updated evaluation is necessary. See A.R.S. §15-2402(B)(4)(c)(iv).

Please note: Pursuant to A.R.S. §15-2401(7)(a)(ii), ESA students without a disability, such as Universal ESA students, cannot use their Empowerment Scholarships to pay for an independent educational evaluation to determine whether they qualify for ESA eligibility as a child with a disability.

_

¹⁸ A charter school is responsible for child identification activities for students enrolled in its charter school. A.A.C. 47-2-401(D)(4)(a). Charter schools are not, however, responsible for outreach under the <u>Child Find</u> regulations because they have no specific geographic boundaries.

Chapter 3 | Purchase and Program Requirements - Students with a Disability

Child's current placement	Responsible public school
Homeschooled student(s)	The public school district in which the parent resides. A.A.C. R7-2-401(D)(4)(b), A.R.S. §15-763(C).

For-profit private school	The public school district in which the parent resides. <u>Letter to Chapman</u> , <u>49 IDELR 163</u> (OSEP 2007).

Equitable services

Children with disabilities who attend non-profit private schools, whether or not they participate in the ESA program, are considered parentally-placed private school children with disabilities. These children and home-schooled children with disabilities do not have an individual right to receive some or all the special education and related services that they would receive if enrolled in their public schools. However, they might still be eligible to receive some special education services provided by their school districts under the IDEA's equitable services provisions.

Note that ESA students with disabilities who attend for-profit private schools are not eligible for equitable services pursuant to federal regulations.²⁰

For information on <u>IDEA</u> equitable services, please visit the <u>Arizona Department of Education's Exceptional Student Services</u> website. Parents may choose to decline offers of equitable services offered from a local school district but should be aware that these services may be available. Accepting or rejecting these services has no bearing on your ESA contract or eligibility.

Change in disability classification

Account Holders' ESA contracts are renewed on an annual basis. Therefore, if a student without a previously identified disability obtains an independent evaluation stating that the student is a child with a disability, Account Holders' can update their student's ESA program eligibility category to a disability eligibility. ADE will not require a special education evaluation (MET, IEP, 504 plan) under the <u>IDEA</u> to update the students disability eligibility.

_

^{19 34} C.F.R. §300.137(a)

²⁰ Federal law does not allow public school districts and charter schools to consider parentally-placed private school children with disabilities who attend private schools through a state-funded voucher or scholarship program (such as Arizona's ESA program) differently from other parentally-placed private school children with disabilities for the purpose of providing equitable services. 34 C.F.R. §300.132(a).

For students already identified as having a disability, Account Holders can have their students' special education eligibility re-evaluated due to new information that would result in identifying a suspected disability not previously identified. Account Holders must make a written request to the appropriate public school district, or they can seek an independent educational evaluation for ESA purposes.

Keep in mind:

- a. If a student attends a non-profit private school, the public school district, in which the private school is located, is responsible for the evaluation process.
- b. If a student attends a for-profit private school or is home schooled, the public school district in which the parent resides is responsible for the evaluation.
- c. For any questions about which public school district may be responsible for the evaluation of a student, please contact ADE's Exceptional Student Services (ESS) at 602-542-4013.

Other ways you can obtain an evaluation to determine or change your student's ESA program eligibility category are:

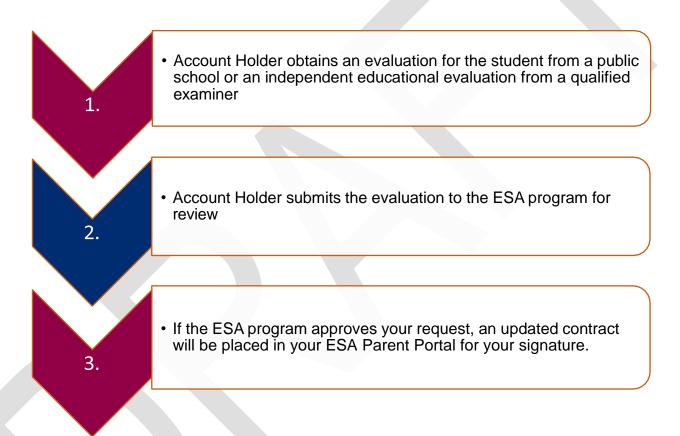

- Contact the Arizona Department of Education's ESA Program for its contracted third- party evaluator.
- If ADE's ESA Program has no contracted third-party evaluators, then you can contact your county's school superintendent's office for its list of approved independent third-party evaluators.
- If your county superintendent's office does not have a list of approved independent third-party evaluators, then you can hire a qualified examiner to conduct an independent educational evaluation. Qualified examiners are licensed physicians, licensed psychiatrists, and licensed psychologists.

Once an ESA student has obtained an updated evaluation:

- Submit an <u>ESA Support Ticket</u>, located within your ESA portal, along with the updated evaluation, and request that your account or application be updated.
- ESA staff will process the request and issue a new contract. Please be aware, not all reevaluations will increase your ESA student's scholarship award amount. In some cases, based on the new eligibility category, the amount may be reduced.
- The new contract needs to be signed immediately to prevent funding delays.

As a reminder, only a child who is identified with a disability by a public school through an evaluation or who qualifies through an independent educational evaluation obtained for ESA purposes pursuant to A.R.S. §15-2403 are entitled to spend ESA funds on educational therapies, paraprofessional services, tuition for vocational and life skills education, educational and psychological evaluations, assistive technology rentals, braille translation, or associated goods. See the "Associated Goods & Assistive Technology" section for more information.

Changing your student's eligibility to a disability eligibility – Flowchart

Visit https://www.azed.gov/esa/esa-support for instructions on how to change or update a student's disability classification, under 'Evaluations'.

Preschool Severe Delay funding

"Severe delay" is a disability **only** assigned to pre-kindergarten students. Students in grades K-12 cannot be evaluated with this disability. As a result, students with a disability in the ESA program under the *Preschool Severe Delay* classification need to be re-evaluated for any other disabilities they may have that qualify them for additional funding in grades K-12. Without a re-evaluation indicating a disability applicable to

students in grades K-12, a student's account will not indicate the student has any disability.

A re-evaluation is not required for a preschool student with severe delay to continue in the ESA program; however, from kindergarten on, an evaluation indicating a disability applicable to students in grades K-12 is needed, if the student is to continue to be eligible as a student with a disability. Account Holders can also contact the ESA Support Line at 602-364-1969 or submit an <u>ESA Support Ticket</u> to learn if a specific account will be affected.

Developmental Delay funding

Pursuant to A.R.S. §15-2401(7)(a)(ii) and A.R.S. §15-761(3), the *Developmental Delay* disability classification is only applicable to students from the ages of 3 through 9 years old. If a parent believes that his or her student qualifies for another disability classification at age 10 or beyond, the parent must have the student re-evaluated to determine whether the student has another disability that allows him or her to participate in the ESA program as a student with a disability.

A parent is not required to have his or her student re-evaluated for another disability to remain in the ESA program. However, without an evaluation that the student has another disability which allows the student to remain in the program as a student with a disability, he or she will not receive an Empowerment Scholarship award that reflects a disability classification. Account Holders can also contact the ESA Support Line at 602-364-1969 or submit a Support Ticket to learn if a specific account will be affected.

Students with a disability (After 12th-grade cohort year)

Pursuant to A.R.S. §15-2402(4)(n), students with a disability who are not ready to graduate high school or have not earned their GED (General Education Development) diploma are eligible to receive Empowerment Scholarships until the age of 22.

When a student is identified as being a student with a disability in the ESA program and is in the spring of his or her 12th-grade cohort year, ESA will notify the Account Holder that action is required if the Account Holder plans to keep his or her student in the ESA program beyond the ESA student's 12th-grade cohort year.

Expenses for students with a disability

 Purchases only approvable for students with disabilities will be reviewed when Account Holders submit proper documentation supporting the purchases. Such support will include documentation such as evaluations, programs, and recommendations from qualified examiners, licensed therapists, or qualified service providers. When submitting purchases only approvable for students with a disability, Account Holders may provide additional explanation as to how their purchase will assist the student's educational needs. Account Holders can add information in the "Comments" section of the ClassWallet platform where purchases are submitted.

Documenting ESA purchases

Account Holders are required to upload purchase documentation into the ClassWallet platform. When uploading purchase documentation, please follow the guidance below.

Invoice requirements

If submitting an invoice to the ESA program to pay a qualified school, program, vendor, facility, or therapist (paying a therapist is only allowed for qualified students with disabilities), please ensure it includes key information.

Invoices must include

- Name, address, and contact information of qualified school, program, or service provider
- Invoice date
- Invoice number
- Student name
- Student grade level (applies to preschool and kindergarten students at qualified schools ONLY)
- Itemized description of services provided and associated charges, including dates of service
- Total amount of charges
- If you are paying a therapist or qualified examiner for services, his or her license number must be included on invoice.
- If you are seeking reimbursement, proof of payment is required.

For reimbursements, if an Account Holder is submitting an itemized invoice in order to document items purchased or services rendered, it must be accompanied by a payment receipt. An invoice alone is not sufficient for a reimbursement request; proof of payment must be submitted, or the request will be denied.

Receipt requirements

Receipts must be generated by a vendor from its point-of-sale system or its numerically-controlled receipt book or system.

Receipts must include

- Vendor name, address, and contact information (phone or email)
- Receipt date
- Receipt number (or transaction number, order number, reference number, authorization number, etc.)
- Itemized and total amount charged
- · Itemized list and description of items or services purchased

Debit card and reimbursement receipt submission deadlines

Debit Card documentation, including purchase receipts, invoices marked paid, service provider's accreditation or credential, curriculum, etc., must be uploaded into the ClassWallet platform by the end of the month after the end of each quarter. Please refer to <u>Deadline for Debit Card Transactions</u>.

Only allowable educational purchases made after the Account Holder has signed his or her contract may be reimbursed.

Account Holders have the entire contract year to submit their purchase receipts for reimbursement. Final reimbursements for the contract year must be uploaded into the ClassWallet platform by the end of the month after the end of the contract year.

Chapter 4 ClassWallet Accounts

About ClassWallet

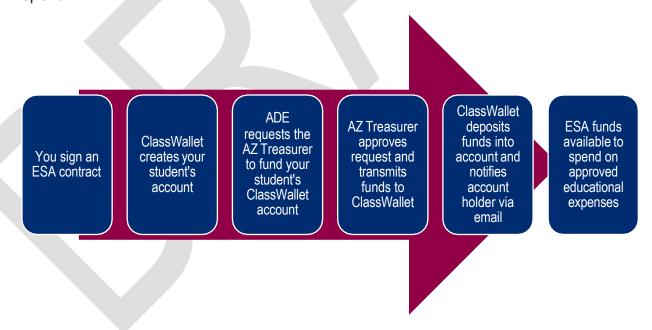

ClassWallet is a third-party vendor that provides Account Holders with a platform to spend their Empowerment Scholarships through a digital wallet.

ClassWallet's platform is designed to streamline and automate Account Holders' spending and tracking of their qualified students' Empowerment Scholarships, including managing Account Holders' payments to private schools, education service providers, and vendors.

Establishing a ClassWallet account

After Account Holders sign their ESA contracts, it takes approximately 3-5 weeks for all parties (ADE, ClassWallet, AZ Treasurer) to create and fund their ClassWallet accounts. Once their ClassWallet accounts are created, ADE will request the Arizona Treasurer's Office to fund their accounts for the current quarter. ADE will continue to request the Treasurer's Office to fund their accounts on a quarterly basis for the remainder of the time that their qualified students are on the ESA program.

When the Treasurer's Office approves ADE's requests to fund accounts, the Treasurer's Office will then disburse Empowerment Scholarship funds to ClassWallet to deposit into accounts. ClassWallet will then send emails to Account Holders letting them know their accounts have been funded and their Empowerment Scholarships are available to spend. ²¹

²¹ Creating and funding accounts may take longer during holidays. Additionally, unforeseen disruptive events such as a pandemic or natural disaster could also cause delays in creating and funding accounts.

Accessing a ClassWallet account

Account Holders can access their students' ClassWallet accounts through the ESA Portal. Once logged in to the ESA Portal, Account Holders should click the blue button labeled "Go to ClassWallet Account". The button will take Account Holders directly to ClassWallet's platform.

If Account Holders have multiple students in the ESA program and on the ClassWallet platform, they can log in once and toggle between their students' ClassWallet accounts using the drop-down menu at the top right of the homepage, where it reads "Welcome".

Information on navigating the platform and helpful tutorials is available from ClassWallet at https://classwallet.my.site.com/classwallet/s/.

Contacting ClassWallet

You can contact ClassWallet by telephone at 1-877-969-5536, Monday through Friday from 8am to 8pm EST, Saturday from 10am to 4pm EST, or by email anytime at help@classwallet.com.

Four ways to spend your Empowerment Scholarships in ClassWallet

ClassWallet offers four ways for Account Holders to make purchases or payments on its platform: Marketplace, Pay Vendor, Debit Card, and Reimbursement.

Please visit ClassWallet at https://classwallet.my.site.com/classwallet/s/article/Ways-to-use-ESA-Funds and https://classwallet.my.site.com/classwallet/s/ for more information on each option.

ClassWallet vendors are listed in the Marketplace and Pay Vendor at https://app.classwallet.com/r/#/shop and https://app.classwallet.com/r/#/shop and https://app.classwallet.com/r/#/shop and https://app.classwallet.com/#/direct_pay/pay.

<u>Marketplace</u>: Account Holders can place orders with various online vendors within the ClassWallet Marketplace. Upon approval, all orders are shipped directly to the address on record.

Pay vendor: If private schools and educational service providers, such as tutors, are registered with ClassWallet, Account Holders can pay them directly through the *Pay Vendor* section on the ClassWallet homepage.

Account Holders must upload complete invoices (see <u>Invoice Requirements</u>) for Pay Vendor orders. Once orders are submitted by Account Holders and approved by ESA staff, ClassWallet will release payment for the approved orders to the private schools and educational service providers. Private schools and educational service providers typically receive payment within 2-10 business days. They also receive a list of the

students for whom they received payment, along with the date and amount of payment for each student.

Please note that Account Holders are not required to provide any accreditation or credential documentation for tutors and other educational service providers in *Pay Vendor*, as the tutors and providers are already registered in ClassWallet, and their supporting documentation has already been submitted by them and reviewed by the ESA program.

<u>Debit card</u>: The ClassWallet-issued debit card draws funds from the Account Holder's account balance in ClassWallet.

ESA cards can be used in the following ways:

- Point of Sale (swiping the card or manually inputting card number)
- PayPal
- Square / VENMO

Merchant Category Code (MCC) Restrictions—As part of the contract between ClassWallet and the Arizona State Treasurer, the debit card has certain MCC restrictions to minimize the risk of debit cards being used to make unallowable purchases. MCC restrictions include code 8211 (Schools, Elementary and Secondary), as payments to private schools should be made through Pay Vendor in the ClassWallet portal. If the debit card does not work at a specific business or vendor because of a restricted MCC, an allowable item will need to be purchased another way, such as out of pocket, which the Account Holder can then submit for reimbursement.

All MCC exceptions that are granted by the Department will be extended to all Account Holders. The Department will notify all Account Holders of the inclusion of these new MCCs by email. A complete list of approved MCCs is available on the ADE website and will be updated if a new code is added.

For MCC questions or concerns, or to request that a restricted code be allowable, please visit https://www.azed.gov/esa/esa-support.

Submitting invoices and receipts—For all debit card transactions, Account Holders must submit a complete paid invoice or receipt in the ClassWallet platform. Additionally, when paying a tutor or other applicable educational service provider with a debit card, Account Holders must also submit a copy of the tutor's or educational service provider's accreditation or credential for each applicable transaction. Paid invoices, receipts, and any accreditation or credential documentation must be submitted by the deadline set forth in A.A.C. R7-2-1508(D) (see Deadline for Debit Card Transactions table below). Failure by Account Holders to submit required documents by established deadlines will result in Account Holders being required to repay an amount equal to purchases for which documentation was not submitted.

Deadline	for dehit	card tran	eactions

Quarter	Purchasing dates	Deadline for receipts and documentation
1	July 1-September 30	October 31
2	October 1-December 31	January 31
3	January 1-March 31	April 30
4	April 1-June 30	July 31

If an Account Holder fails to submit the outstanding debit card receipts following the quarterly deadline, the Department is required to notify the Account Holder. The Account Holder will then have a grace-period of 15 days to submit any outstanding receipts. If the Account Holder fails to submit the receipt, the Department will suspend the debit card and may close the account.

Additionally, Account Holders must submit supporting documentation for debit card purchases after every 20 transactions, even if it results in them submitting prior to established deadlines. Failure to submit all supporting documentation after the 20-transactions ceiling will result in the Account Holder's ClassWallet debit card being deactivated.

Improper use of debit cards and suspension—Cash withdrawals, cash advances, or purchase of cashier's checks are prohibited with your ClassWallet debit card. Any Account Holder attempting to make a cash withdrawal will have their debit card automatically suspended and the Account Holder will need to notify ClassWallet directly for reactivation. The Department will issue a 15-day suspension letter via email to the Account Holder stating the reason for the suspension. The Account Holder will then have 15 days in which to respond or take action. Failure to contact the Department by the date stated on the letter may result in termination of the ESA.

Note: Private schools and vendors are never allowed to keep debit cards on behalf of Account Holders. The ClassWallet debit card must always be in the Account Holder's possession.

Additionally, the functionality of a debit card at point of sale does not validate the allowability of a purchase.

Reimbursement: If Account Holders cannot make a purchase or pay using one of the three ways listed above, they may make purchases using their personal money or credit card. They must then submit itemized receipts or payment receipts accompanied by an itemized invoice to the ESA program for reimbursement from their accounts.

To receive reimbursement, Account Holders must link their bank accounts to their ClassWallet accounts, and ClassWallet must verify the bank account's authenticity.

If an Account Holder has multiple children in the program, the bank account only needs to be linked once.

When submitting purchases for reimbursement, Account Holders MUST submit:

- Receipts only for transactions made after the date they signed their ESA contracts.
- Complete itemized receipts or payment receipts accompanied by itemized invoices.
- All other necessary documentation such as curricula, therapist letters recommending supplemental material, educational service provider's credentials, business accreditation, etc.

Invoice requirements are available under the <u>Invoice Requirements</u> section. Receipt requirements can be found under the <u>Receipt Requirements</u> section.

Vendor registration in ClassWallet

If an Account Holder has a preferred vendor that is not on the ClassWallet platform, private schools, educational service providers, and vendors can register to become a ClassWallet vendor by visiting the "Vendor" section of the ESA Support page of ADE's website at https://www.azed.gov/esa/esa-support. They can also contact ClassWallet at help@classwallet.com or 1-877-969-5536.

ClassWallet charges a 2% processing fee to vendors and not directly to the ESA Account Holder. However, the vendor has discretion to charge Account Holders a processing fee to offset this expense.

Chapter 5 Auditing and Compliance for ESA Purchases

Auditing purchases

Pursuant to A.R.S. §15-2403(B) and A.A.C. R7-2-1508(A), the Department may perform audits to ensure compliance with ESA rules pertaining to purchases. Such audits conform to the record retention requirements that were in place at the time the expense was made. The Department may only audit account activity from the last two fiscal years, including the current fiscal year.

Pursuant to <u>A.A.C. R7-2-1508(B)</u>, the Department must provide an annual notice to each parent of when and how the Department will conduct reviews of expenses and audits. If the Department chooses to adopt risk-based auditing, the Department must provide formal notice to the State Board of Education (SBE) at one of its meetings.

In 2020, the State Board of Education, working in collaboration with the Arizona Department of Education and stakeholders, established the rule A.A.C. R7-2-1507(C): The Department shall not request repayment for an expense it has approved for a specific ESA.²² The Department shall treat similar expenditures by similarly situated account holders in the same manner. This section does not create authorization for an account holder to expend funds in a manner not permitted by statute.

Comparison of ESA students and allowable items

Situation	Student 1	Student 2	Item allowability comparison
Similarly Situated	Student with Disability-ASD (autism spectrum disorder)	Student with Disability-ASD	Weighted blanket approved for all students with an ASD classification as a good associated with ASD.
Not Similarly Situated	Student with Disability- ASD	Student with Disability-SLI (speech language impairment)	Weighted blanket approved for Student 1 but not Student 2, since weighted blankets are not a good associated with an SLI disability.
Not Similarly Situated	Student with Disability- ASD	Universal-eligibility student	Weighted blanket approved for Student 1 but not Student 2, since weighted blankets are not a good associated with regular education students.

²² The Department may ask for repayment of any items approved in error, if items are improper or unallowable under your ESA contract, state law, administrative rule, program policies, or this ESA Parent Handbook.

.

Unallowable purchases that may result in account suspension or termination

To protect the ESA program and public monies, the Department pursues all unallowable purchases made using Empowerment Scholarships that it finds. If ESA staff identify unallowable purchases during purchase reviews or audits, they will suspend the applicable accounts and notify Account Holders of suspension and possible termination, along with appeal rights or other possible due process remedies. If after due process is completed, improper spending is not repaid to the ESA program, the Department will refer these cases to the State Board of Education to approve a referral to the Attorney General's Office for collections. Additionally, the Department has a zero-tolerance policy on substantial misuse of Empowerment Scholarships with the intent to defraud. In these circumstances, the Department refers cases directly to the Attorney General's Office.

The Department may suspend Account Holders' ESAs and require them to repay any spending that is unallowable under their ESA contracts, state law, administrative rule, program policies, or the ESA Parent Handbook.

Below are examples that may result in account suspension or termination:

- Purchases made with Empowerment Scholarships while enrolled in a public-school district, charter school, or public online school, including summer school at any of these types of public schools (A.R.S. §15-2402(B)(2)).
- Purchases made with Empowerment Scholarships while concurrently accepting School Tuition Organization (STO) Scholarships OR tax credit scholarships in the same year as an Account Holder signs an ESA contract.²³ (A.R.S. §15-2402(B)(3))
- Purchases made with Empowerment Scholarships for unallowable items or services
- Failing to spend a portion of the Empowerment Scholarship on each of the following subjects: reading, grammar, mathematics, social studies, and science
- Failing to submit receipts for debit card transactions by the *quarterly deadlines*
- Committing fraudulent activity within the ESA Program, including providing false information or falsifying documents
- Re-selling items purchased with Empowerment Scholarships
- Account Holders and parents or guardians who are not designated account holders, cannot be paid with any funds from their students' Empowerment Scholarships. Additionally, students receiving an Empowerment Scholarship

received an STO or tax credit scholarship, please contact ESA staff immediately.

²³ If after signing an ESA contract, an Account Holder concurrently accepts an STO scholarship for an ESA student, the Account Holder must withdraw his or her student from the ESA program and the ESA will be closed. Conversely, if a student is receiving an STO scholarship and the student's parents or guardian decides to switch to an ESA, the parents or guardian must repay the STO the scholarship amount before signing an ESA contract. Please contact your qualified school to make sure you are not receiving an STO or tax credit scholarship. If you believe you may have

cannot use their scholarships to pay themselves for any purpose whatsoever.

Suspension of ESAs

Pursuant to <u>A.A.C. R7-2-1509</u>, when the Department suspends an account, it will notify the Account Holder of the suspension by email. The notification will specify the reason for the suspension and details of the unallowable purchase that resulted in the suspension. The Department will allow Account Holders 15 business days to provide the ESA program with documentation that shows their purchase was allowable or that they were victims of identity theft or fraud. Otherwise, Account Holders must submit repayment for the unallowable purchase or file an appeal to the SBE. Additional information on the ESA Appeals Process, as well as how to file an appeal is available at: https://azsbe.az.gov/empowerment-scholarship-account-esa-program.

Termination of ESAs

If, within 15 business days of notification of account suspension, the Account Holder has taken no action, the Department will send the Account Holder a termination letter by email and first class or certified mail, which will also include a right to appeal.

The termination letter allows the Account Holder 30 calendar days to resolve the termination or appeal the Department's decision. If no appeal is made in writing to SBE, the ESA is closed, and unused funds will be deposited back into the State's general fund. Any outstanding amounts spent on unallowable purchases or on debit card purchases for which supporting documentation has not been submitted will be referred to the SBE who may refer the case to the Attorney General's Office for Collections, as well as fraud investigation, if applicable. Pursuant to A.A.C. R7-2-1509(J), if a case is referred to the Attorney General's Office, the Department shall withhold all funds in the account and close it. Additionally, if an account is terminated, the Department shall conduct a full audit of the account and request repayment of any funds that were spent in violation of the ESA contract. Pursuant to A.A.C. R7-2-1510(B), the Department may remove a parent from the ESA program for failing to correct a violation, this includes termination of all ESAs for whom the parent is the account holder.

However, if the Account Holder provides documentation showing that the purchases in question are allowable, that the Account Holder was victim to identity theft or fraud, or that the Account Holder has made repayment for the unallowable purchases, the account will be reactivated.

Repayment plans

Pursuant to A.A.C. R7-2-1509(C), if during an account suspension, the Department determines that the Account Holder's documentation fails to demonstrate that the purchase is allowable or that the Account Holder was victim to identity theft or fraud, the Department shall provide notification to the Account Holder that the amount must be repaid.

Pursuant to <u>A.A.C. R7-2-1509(C)</u>, if Empowerment Scholarship funds need to be repaid on an active account, the Department may agree to a repayment schedule at the request of the parent.

Once an Account Holder agrees to a repayment schedule or repays an amount pursuant to A.A.C. R7-2-1509(A)(2)(b) or A.A.C. R7-2-1509(C), the Department shall lift the suspension, reinstate the account, and make any disbursements that were withheld during the suspension. Pursuant to A.A.C. R7-2-1509(G), if an Account Holder fails to make a scheduled payment when on a repayment plan, the remaining unpaid balance will be referred to the SBE, who may refer the case to the Attorney General's Office for collections.

However, if an Account Holder's ESA has been closed or terminated and the SBE has referred the account to the Attorney General's Office for collections, the Account Holder must work through any procedures established by the Attorney General's Office in these matters.

Except in cases which the Attorney General determines that an Account Holder has committed fraud, any expenditure from an Arizona Empowerment Scholarship Account for a purchase that is unallowable pursuant to A.R.S. §15-2402 and that is subsequently repaid by the Account Holder shall be credited back to the Arizona Empowerment Scholarship Account.

Chapter 6 Renewing ESA Contracts

Eligibility requirements to renew your annual ESA contract

To be eligible to renew an ESA contract, Account Holders must have:

- 1. Spent a portion of their students' Empowerment Scholarships on reading, grammar, mathematics, social studies, and science during the contract year (July 1-June 30)
- 2. An active contract, meaning their contracts must not be currently suspended or have been terminated for contract violations such as:
 - Failure to submit debit card receipts in a timely manner. See <u>Deadline for Debit</u> <u>Card Transactions</u>
 - Making improper or unallowable purchases
 - Using Empowerment Scholarships in any way that is fraudulent
 - Enrolling your student in public school at the same time he or she is participating in the ESA program
 - Receiving a School Tuition Organization (STO) or tax credit scholarship in the same fiscal year (July 1-June 30) as an ESA
 - Using their student's ESA to pay themselves
 - Reselling items purchased with ESA funds

Renewal contracts

Existing ESA students are considered "renewing students" and do not need to reapply annually, while they remain eligible to participate in the program. Their Account Holders only need to sign their ESA renewal contracts that the Department sends in the spring.

Any funds remaining in students' ESAs at the end of the fiscal year will roll over into the next fiscal year. Eligible students on "Exited" contracts (see "Exited" Contract) must also renew their contracts.

Each year, around May, renewal contracts will be sent by email with an electronic signing option. Once the ESA program receives signed renewal contracts and any required documents, ESA staff will send email confirmations to Account Holders.

Chapter 7 Leaving the ESA Program

A student leaves the ESA program 1 of 4 ways:

- 1. **Withdrawal:** Account Holder requests that his or her student's ESA contract be closed and the student withdraws from the ESA program.
- 2. **Non-renewal:** Account Holder chooses not to sign his or her student's renewal contract.
- 3. **"Exited" contract:** Student exits the program upon high school graduation or earning a general education diploma (GED).²⁴
- 4. **Termination:** ADE terminates an Account Holder's contract for failure to abide by program rules or policies, ESA Parent Handbook, or state law.

Withdrawal

Account Holders can withdraw their students from the ESA program at any time. To close a student's account, an Account Holder can do so within the ESA Portal. Account Holders can also submit an <u>ESA Support Ticket</u> requesting ESA staff to close their account. The Account Holder will receive email confirmation when the ESA has been closed.

ESA staff will review closed ESAs to determine if there are any outstanding debit card receipts or paid invoices that are missing, and that Account Holders must still submit. Once an account is closed and has been reviewed by ESA staff, any Empowerment Scholarship funds remaining in the account will be returned to the State's general fund.

Pursuant to <u>A.A.C. R7-2-1509</u>, if an account is closed and ESA staff determine that it is not in good standing due to missing debit card receipts, the Department will refer the account to the State Board of Education (SBE). The SBE may refer the case to the Attorney General's office for collections.

Non-renewal

Renewal contracts are sent to current Account Holders near the end of each school year. Pursuant to A.R.S. §15-2402(H), if an Account Holder does not sign a renewal contract, the ESA program will automatically close the account. Any Empowerment Scholarship funds that remain in ESAs that have been closed for non-renewal will be held for 3 fiscal years. If an ESA remains closed for 3 fiscal years, the Department will send a notice to Account Holders stating that the Empowerment Scholarship funds will be swept within 60 days. If there is no response within 60 days of this notice, any remaining Empowerment Scholarship funds will be returned to the State, pursuant to A.R.S. §15-2402(H).

2

²⁴ ESA students with a disability may be eligible to continue in the ESA program until age 22. See <u>Students with a Disability (After 12th-grade cohort year)</u>

"Exited" contract

An Account Holder will receive an "Exited" contract for his or her student, if the student meets 2 criteria:

- The student no longer qualifies for a K-12 education because he or she has graduated high school or earned a GED
- The student's ESA still has a positive fund balance.

Please note that students on Exited contracts do not receive any new ESA funding, but the students are eligible to spend their current ESA balance for proper and allowable expenses.²⁵

Once a student is on an Exited contract, the student can spend his or her ESA balance for up to 4 years or until graduation from a postsecondary institution.²⁶ All policies and laws regarding the ESA program must still be followed.

If your student graduates high school or earns a GED, please notify the ESA program as soon as possible so that an Exited contract can be sent.

Account Holders whose students are on Exited contracts are still contractually obligated to upload debit card receipts, if applicable, on a quarterly basis. An Account Holder's failure to do so can result in ADE suspending and subsequently terminating the ESA.

Termination

The Department may terminate an Account Holder's ESA contract and remove a student from the ESA program for a variety of reasons, as discussed in <u>Chapter 5</u>. Upon the Department terminating an ESA contract, the Account Holder may appeal the Department's decision. However, if an Account Holder is removed due to committing fraud, the Account Holder and the student may not reapply for the ESA program in the future.
