Alternative Form for Income-based Eligibility

 Academic Achievement

Alternative Form for Income-based Eligibility

The Arizona Department of Education provides the following Fiscal Year 2025 Income Guidelines for determining income eligibility for a variety of federal funding programs. This form should be utilized as an alternative means to collect income eligibility information from the student's household and organizations should retain completed forms for a period of five years.

Definition of Income: all items such as wages and salaries before any deductions, and other income, such as self-employment, welfare, social security, retirement benefits unemployment compensation, worker's compensation, aid for dependent children, alimony, child support, pensions, insurance, or annuity payments, etc.

Exclusion: the value of meals, milk, or EBT benefits to children shall NOT be considered income in the household.

Is your household at or below the current income guidelines based on the attached Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act Income Eligibility Guidelines schedule?

Yes, Income Eligibility 1 (Indicator 1 in AzEDS): ☐

Yes, Income Eligibility 2 (Indicator 2 in AzEDS): ☐

No: ☐

If your household qualifies, please complete the following information for each student:

Student's Name	Name of School	Grade
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

I hereby certify that all the above information is true and correct:

Parent/Guardian Signature: _____ Date: _____
