*No findings*

#### Performance Standard 1: Meal Counting and Claiming – Critical Area

1	Meal count totals were not correctly combined and recorded at breakfast and lunch during the review period. This was deemed a non-systemic error and contributed toward fiscal action calculations.	Discussed how current system allowed for this to happen and potential changes that could be made to ensure it doesn't continue.	<i>Please provide a written description of changes to the system that have been implemented to ensure that meal count totals are correctly combined and recorded, including the date of implementation.</i>

#### Performance Standard 2: Meal Components & Quantities – Critical Area

2	Food quantities served at lunch during the review period did not meet minimum amounts required by the meal pattern. Specifically, 1.75 oz eq grain was served on 4/6/25 and 4/12/25 and 1.0 oz eq grain was served on 4/10/25 when 2 oz eq is required daily at lunch for grades 9-12. This was not a repeat finding from the previous cycle and therefore did not contribute toward fiscal action calculations.	Discussed how current system allowed for this to happen and potential changes that could be made to ensure it doesn't continue (e.g., changes in serving utensils, recipes, etc.). Meal pattern requirements for the National School Lunch Program can be found on ADE's website at <a href="http://www.azed.gov/hns/nslp">http://www.azed.gov/hns/nslp</a> under the Meal Pattern accordion. The Step-by-Step Instruction: How to Plan a Lunch Menu can be found on ADE's website at <a href="http://www.azed.gov/hns/nslp/training">http://www.azed.gov/hns/nslp/training</a> under the Online Training Library accordion. The Using Appropriate Serving Utensils Recorded Webinar & Webinar Slides can be found on ADE's website at <a href="http://www.azed.gov/hns/nslp/training">http://www.azed.gov/hns/nslp/training</a> under the Online Training Library accordion. Please note that repeated violations involving food quantities may result in fiscal action.	<i>Please provide a written description of the changes that have been made to ensure that daily grain quantities at lunch meet minimum amounts required by the meal pattern.</i>

| 6 | Meals served to teachers, administrators, custodians, and other adults were not priced so that the adult payment in combination with any per-lunch revenues from other sources designated specifically for the support of adult meals (such as State or local fringe benefit or payroll funds, or funding from voluntary agencies) was sufficient to cover the overall cost of the meal. Specifically, no documentation was provided to determine whether adult meals served and if pricing was sufficient to cover the overall costs were recovered with general funds. | Discussed ways to determine adult meal prices which included a per meal cost analysis and pricing utilizing the Adult Meal Pricing Tool. For Non-Pricing Sites: pricing adult meals to reflect the amount of reimbursement received for a free meal plus the per meal value of entitlement and bonus commodities for non-pricing programs. | 7 | An on-site review of readily observable general areas of review was not conducted. Specifically, monitoring visits for breakfast and lunch completed on September 27, 2024, and January 7, 2025, did not include readily observable general areas of review. | Discussed that every school year, each school food authority with more than one school shall perform no less than one on-site review of the counting and claiming system and the readily observable general areas of review cited under § 210.18(h), as prescribed by FNS for each school under its jurisdiction. The on-site review shall take place prior to February 1 of each school year. | <i>Please provide a completed Internal On-Site Monitoring Form for breakfast and lunch at Canyon State Academy that demonstrates readily observable general areas of review were included.</i> |

| 8 | The Local Wellness Policy did not contain all required elements. Specifically, the Local Wellness Policy did not contain policies for food and beverage marketing. | Discussed updating the Local Wellness Policy to include policies that allow marketing and advertising of only those foods and beverages that meet Smart Snacks Standards during the school day. Explained that this requirement applies to exterior vending machines, posters, menu boards, coolers, trash cans and cups used for beverage dispensing. The Local Wellness Policy Final Rule: Guidance and Tools From ADE Webinar can be found on ADE's website at <a href="https://www.azed.gov/hns/nslp/training">https://www.azed.gov/hns/nslp/training</a> under the Online Training accordion.                                                                                                                                                                                                                                                                | <i>Please provide a written plan for how policies for food and beverage marketing will be added to the Local Wellness Policy. The plan should include draft language of the element to be added, who will be involved in updating the Local Wellness Policy and the date the update is expected to be completed. Additionally, provide written assurance that the Local Wellness Policy will be specific to your institution.</i> |
| 9 | A recent assessment of the implementation of the Local Wellness Policy has not been conducted nor have plans been developed to complete the assessment.            | Discussed requirement to complete an assessment once every three years, at a minimum. The assessment must measure how the LEA is complying with their Local Wellness Policy, how the LEA's Local Wellness Policy compares to the model wellness policy, and progress made in attaining the goals of the wellness policy. Additionally, discussed feasible means for notifying the public of the results of the most recent assessment. Sample evaluation tools can be found on ADE's website at <a href="https://www.azed.gov/hns/nslp/forms">https://www.azed.gov/hns/nslp/forms</a> under the Local Wellness Policy accordion. | 10 | Production record crediting is inaccurate. Specifically, the following items did not reflect correct crediting information: Chicken Strips, Denver Scramble, Cinnamon Roll, Orange Juice, Bagel w/ Cream Cheese, Hoagie Roll, Hamburger Bun, and Vegetable Cups.                                                                                         | Discussed how to credit meal components and ensuring consistency with recipes, labels, and production records. Additionally discussed that crediting information is not a required element of a production record and therefore is not required to be included on the production record. Crediting resources can be found on ADE's website at <a href="https://www.azed.gov/hns/nslp/forms">https://www.azed.gov/hns/nslp/forms</a> under the Menu Planning accordion.                | <i>Please provide a written description of changes made to ensure crediting is correctly reflected on production records. If the operation chooses not to include the optional crediting information on the production record moving forward, please provide production records for 5 consecutive days demonstrating that it is no longer included.</i> |
| 11 | Production records were not completed correctly. Specifically, the portion sizes recorded on the production record did not reflect actual amount served for Turkey Sausage Patty, Biscuit, Cereal, Oatmeal, Egg Patty, Mini Blueberry Waffles w/SF Syrup, Cinnamon Roll, Breakfast Muffins, Bagel w/ Cream Cheese, and Whole Grain Pancakes w/ SF Syrup. | Discussed how to credit meal components and ensuring consistency with recipes, labels, portion sizes, and production records. | 14 | Snack counts were not correctly combined and recorded during the review period. Specifically, snacks served during school hours were claimed for reimbursement under the Afterschool Snack Program. This contributed toward fiscal action calculations. | Discussed how current system allowed for this to happen and potential changes that could be made to ensure it doesn't continue. Additionally discussed the Afterschool Snack Program is a federally-assisted snack service that provides reimbursement for serving snacks to children after the regular school day. | <i>Please provide a written description of changes to the system that have been implemented to ensure that only snacks served after the regular school day are claimed under the Afterschool Snack Program, including the date of implementation</i> |
