

KEVIN CONTRERAS

Arizona 2024 Student Success Stories

1st Grade

Wilson School District

“Kevin has always been a diligent student, completing his work with great focus and enthusiasm. His attendance is impeccable. Kevin arrives to school on time, ready to learn, and his progress has been extraordinary.

In reading, writing, and math, Kevin excels. His handwriting is among the best I’ve seen, and his attention to detail speaks volumes about his dedication. He strives to do his best in everything he does. Beyond academics, Kevin is an incredibly organized and helpful student. He takes pride in keeping the classroom neat and is always looking for ways to assist others. His classmates recognize these qualities too—Kevin has been chosen as classroom president by his peers not once, but three times. This honor is a reflection of the respect and admiration his classmates have for him, both as a student and as a friend.

Kevin’s kindness is one of his most endearing traits. After being selected as classroom president for the third time, he graciously offered to give the opportunity to another student, demonstrating his humility and consideration for others. This selfless act exemplifies the kind-hearted and thoughtful young leader that he is, even at such a young age.

While Kevin continues to learn English as part of our EL program, his determination is evident, and his progress is nothing short of impressive. His commitment to learning, both academically and socially, stands out every day. His goals are already set high—he dreams of going to college, and even now, he speaks about his future studies with enthusiasm and determination.”
