

IMET TRAINING FOR INTERPRETERS IN PUBLIC SCHOOLS (TIPS) COURSE

A collaborative effort among multiple State Departments of Education is offering an online professional development course for educational interpreters.

TIPS COURSE OVERVIEW

The Training for Interpreters in Public Schools (TIPS) is an online course specifically designed for educational interpreters. Four modules are sequenced to build upon one another and take an average of 8 hours per week over a four-month period to complete. All activities are online so access to a reliable computer, web camera, and high-speed internet is required. The course topics in TIPS were designed based on critical skill sets necessary for effective educational interpreters to demonstrate. TIPS on-line coursework consists of 4 modules: Preparing for the Learning Journey, Interpreting Educational Discourse, Fingerspelling in the Classroom, & Discourse Mapping in Education. A one-day virtual training is mandatory. RID CEUs available upon request. Funding for the course is covered by the participating State Department of Education and offered to participants at no cost.
Space is limited.

Course Dates: February 6 - May 15, 2027
