Formative Assessment for English Learners (Level 1) Workshop

Pre-Conference Training Opportunity

When: Tuesday, December 8, 2026
Time: 9:00am-4:30pm
Where: The Arizona Grand Resort
Registration: $75/person
(*includes a light breakfast, lunch, and training materials*)

The *Formative Assessment Level 1 Workshop* provides a thoughtful and thorough framework for monitoring the progress of English learners, with student strengths at the center of the process. In addition to becoming familiar with the components of an effective formative assessment framework, participants will learn how to identify, collect, and act upon evidence of language development. Participants will also acquire new methods for embedding formative assessment practices within instruction, allowing for real-time feedback and a more accurate understanding of students' progress towards language proficiency and content mastery.

Agenda

- Introduction to the Formative Process
- Clarifying Intended Learning and Language Use
- Interpreting Evidence
- Acting on Evidence
- Tools for Supportive Formative Assessment
