

# Ronny De La Torre Santana

1<sup>st</sup> Grade

Balsz School District

“Ronny’s commitment to learning is evident in everything he does. He finds joy in understanding idioms, phrases, and the rules of English, and he makes a strong effort to use them accurately in conversations and writing.

What truly makes Ronny unique is not just his personal success, but his desire to support his peers. He often uses English when speaking with other English Learners to help them grow in their understanding as well. Ronny’s academic journey is fueled by curiosity and a strong work ethic. He actively applies new vocabulary daily and has begun checking out books from the school library and taking AR tests to challenge himself further.

Ronny’s goals reflect a sincere desire to continue growing: improving his comprehension, applying his knowledge across subjects, and refining his grammar and punctuation. He is also focused on becoming a model for his peers by communicating clearly and confidently in English.

The character traits that best describe Ronny are determination, eagerness, and perseverance. He is strong-willed and competitive with himself, always striving to outperform what he accomplished the day before. His enthusiasm for learning is contagious, and he inspires both classmates and teachers alike. Ronny is a shining example of what can be accomplished through hard work, resilience, and a love for learning. He embodies the spirit of an EL success story and continues to inspire those around him with his achievements and positive attitude.”
