**Parent Involvement:**

Percent of parents with a child receiving special education services who report that schools facilitated parent involvement as a means of improving services and results for children with disabilities.

**Explanation:**

Each school year public education agencies (PEAs) administer the survey. Every parent who has a child receiving special education and related services is given the opportunity to complete the survey. Analysis of parent responses with a measurement software program gives the number of parents who report the school facilitated parent involvement as a means of improving services and results for children with disabilities.
