

## FY27 EHCY Grant Award Funding Formula

The formula below can be used to calculate the *maximum* amount of funding an applicant may be eligible to receive. Awards are dependent on the quality of the grant application and the amount that the USDE awards ADE to subgrant to LEAs.

Please refer to the [AzEDS October 1 Report for Enrollment and Poverty Counts](#) for guidance on acquiring the data required for determining the LEA Size and Poverty Percentage.

Funding Formula	(Division Allocation) + (Poverty % Tier & Division) + (Homeless % Tier & Division) = Allocation Award
