Resource Management

- | | | | |
|---|---|---|--|
| 1 | Meals served to teachers, administrators, custodians, and other adults were not priced so that the adult payment in combination with any per-lunch revenues from other sources designated specifically for the support of adult meals (such as State or local fringe benefit or payroll funds, or funding from voluntary agencies) was sufficient to cover the overall cost of the meal. Specifically, adult breakfast and lunch were \$2.70 and \$4.85 respectively when they should have been at least \$3.25 for breakfast and \$5.02 for lunch. | Discussed ways to determine adult meal prices which included a per meal cost analysis and pricing utilizing the Adult Meal Pricing Tool. For Non-Pricing Sites: pricing adult meals to reflect the amount of reimbursement received for a free meal plus the per meal value of entitlement and bonus commodities for non-pricing programs. Referred to Adult Meal Pricing Tool located on ADE's website at https://www.azed.gov/hns/nslp/forms/ under the Financial accordion. | <i>Adult Meal Pricing Tool completed on-site. Please provide documentation demonstrating the prices have been increased to the appropriate level and documentation supporting that \$37.17 of non-Federal funds were used to cover the price of serving adult meals served during the review period.</i> |
