

College Credit by Examination Development Fund: School Eligibility

Pursuant to ARS §15-249.06-I, this fund supports schools in which *fifty percent or more* of the students are eligible for *free or reduced-price lunches*, to assist those schools in developing and operating classes that offer qualifying examinations.

For the purposes of this grant, any school serving High School students may qualify provided they serve a population reported to [Health and Nutrition](#) as 50% or greater on the [Reduced-Price Percentage Report](#), or a calculated ratio of 50% or greater through the Income-Eligibility type 1 & 2 process used for [CCEIP reporting](#).

The following list includes schools tacitly approved as sufficiently ‘low-income’ for this grant. This list is not intended to be exhaustive – if you have questions about why your school may not be on this list, please reach out to us at AdvancedLearning@AZED.GOV.

Schools listed as HNS Eligible were on the most recent Health and Nutrition report for Free and Reduced-Price Percentage. Schools listed as CCEIP eligible were on the “low income” list for the FY26 CCEIP awards, based on the 24-25 exam year.
