

The vetted Supplemental program list is offered as a courtesy. Supplemental programs listed below are **not** added to the MOWR portal drop down list.

These products have been identified by the vendor as designed for "supplemental" use to support any existing vetted curriculum.

They are designed to be used in *conjunction* with a Tier 1 program to enhance areas of core curriculum. These are not marketed as stand-alone programs for targeted Tier 2/3 intervention and other choices may be more impactful.
