## MEMORANDUM

---

**To:** School Food Authorities Operating the National School Lunch Program

**From:** Melissa Conner, Senior Deputy Associate Superintendent  
Arizona Department of Education, Health and Nutrition Services Division

**Date:** June 29, 2026

**Subject:** State-funded Reimbursement for Reduced-Price Meals in School Year 2026-2027

---

The purpose of this memorandum is to announce the availability of State-funded reimbursement in School Year 2026-2027 (SY 2026-27) for reduced-price meals claimed by School Food Authorities (SFAs) operating the National School Lunch Program (NSLP) and the School Breakfast Program (SBP).

### **Reduced-Price Meals**

Under traditional operations of the NSLP and SBP, families with students who qualify for reduced-price meal benefits may incur a fee of up to \$0.40 for each lunch and up to \$0.30 for each breakfast. Within the state fiscal year 2027 budget, the Arizona legislature appropriated one-time funding to reduce or eliminate copayments that would otherwise be charged to children eligible for reduced-price meals.

SFAs shall communicate the availability of breakfast and lunch meals at no charge to families whose children qualify for reduced-price meal benefits.

To obtain the per meal reimbursement, all SFAs, except those operating CEP or Provision 2 or 3 in a non-base year, shall continue to follow their Free and Reduced-Price Policy, which includes the distribution of the Household Application for Free and Reduced-Price Meals, use of the CNP Direct Certification system to certify students for free or reduced-price meal benefits, and track the eligibility on the benefit issuance document. Meals served to children certified as eligible for reduced-price meal benefits are then claimed in the reduced category of the CNPWeb monthly claim. SFAs must also notify families and offer meals free of charge to the students who are certified as eligible for reduced-price meal benefits.

The state appropriation will be provided to the NSLP and SBP operators by the Arizona Department of Education as a per-meal reimbursement. If the appropriated amount is insufficient to cover all meals served to students certified as eligible for reduced-price meal benefits, ADE will reduce the funding proportionately and notify the impacted SFAs.

**Deadline for Accessing State-Funding for Reduced-Price Meals**

The state-funded reimbursement for reduced-price meals will not be available after June 21, 2027. With the exception of claims for the months of April 2027, May 2027, and June 2027, SFAs shall continue to adhere to the monthly claim for reimbursement requirements for the duration of SY 2026-27. SFAs must submit claims within 60 calendar days of the last day of the claim month to receive reimbursement. Claims may be submitted as soon as the 1st of the month following the claim month. To be eligible for the additional state-funded reimbursement for reduced-price meals served in April 2027 and May 2027, operators must submit the claim for reimbursement no later than **June 21, 2027**. SFAs operating the NSLP and/or SBP in June 2027 for 10 days or less, and who intend to claim reimbursement for reduced-price meals, shall combine the meals served in June with the meals claimed for May and submit the May claim for reimbursement no later than June 21, 2027. NSLP and SBP meals served in June for 11 or more days will be ineligible to receive the additional state-funded reduced-price meal reimbursement. Schools that have been placed on hold during the school year then released from hold after June 21, 2027 will not receive reduced-price state-funded reimbursement due to the funds being unavailable after the close of the state fiscal year.

ADE provides the [Claiming Calendar](#) as a tool to assist SFAs with the monthly claim for reimbursement deadlines.
