

2026 OIE Annual Summit Pre-Conference

# JOHNSON O'MALLEY (JOM) FOUNDATIONS 101

## Enhance your JOM understanding and knowledge with us!

Join this foundational session to build your understanding of the Johnson O'Malley (JOM) Program and its impact on Native student success. Learn the role of Indian Education Committees (IEC), program expectations, and how JOM supports culture, academics, and community. Participants will explore key funding and compliance topics, including allowable expenses, required documentation, and grant basics. The session will also cover best practices for identifying program needs through surveys, engaging IEC committees, and using data to guide decisions. Walk away with practical tools to develop an education plan and align your budget to support effective, compliant JOM programs.
