June Teaching and Learning Webinar Series

The Power of Routine: Building Digital Skills Without the Burnout

Part II - Wednesday, June 17, 2026, 3:00p - 4:00p

Presenter: Jennifer Lane, ADE Adult Education - Teaching & Learning

You know your learners need stronger digital skills, but between limited time and wildly different skill levels, teaching technology can feel overwhelming.

[Register Now](#)

Join us for this two-part session and discover how small, intentional digital routines can make a big difference. You'll learn how to create digital routines that fit seamlessly into what you're already teaching.

ARIZONA ADULT EDUCATION CELEBRATES **America250**

In 2026, Arizona will help commemorate the 250th anniversary of the founding of the United States through statewide events, storytelling, education, and community engagement. Adult education programs can use this moment to connect learners to civics, Arizona history, student voice, and community participation.

Ways to Participate

Road to 250: Arizona Traveling Museum

A free, ADA-accessible traveling exhibit featuring Arizona's replica Liberty Bell and interactive exhibits on American history and Arizona's past, present, and future.

Passport250

A mobile-friendly digital pass that helps Arizonans and visitors explore landmarks, hidden gems, and cultural treasures across the state.

Community Calendar

A statewide resource for celebrations, educational programs, and cultural activities happening across Arizona.

Learn More:
america250az.org

Adult Education Connections

Use America250 to support learning in:

- civics and citizenship
- reading, writing, speaking, and listening
- Arizona history and local storytelling
- college, career, and community readiness

Adult Education classrooms can help learners:

- explore Arizona's heritage and diverse communities
- discuss civic values and civic participation
- connect personal stories to local and national history
- participate in community events and place-based learning
